Friends Of The Great Light!

伟大之光的朋友们！

We Continue Sharing Information  
That Is New And Different To Your  
Way Of Thinking!

让我们继续分享与您的思维方式  
不同的新信息！

Knowing That Creation Is Unlimited  
In Scope Will Allow You The  
Opportunity To Expand In  
Consciousness Even More As You  
Consider The Endless Possibilities  
That Are Familiar To You In The  
Higher Realms.

知道创造的范围是无边的，会让你  
在考虑你所熟悉的高维度的无尽  
可能性时，有机会多多地扩展意识。

In These Moments We Will Share  
About A Race We Have Mentioned  
Before. We Will Go Further And Ask  
You To Imagine That You Know  
These Souls. Some Of You Know

Them Incarnated. Others Know Them As Friends From Their Home, As You Also Have A Home Of Origin Unless You Are An Earth Native Soul. They Also Have Families With Earth Native Souls In Waking Dreams! We Truly Are A Family!

此刻，我们将分享我们之前提到的一个种族。我们会更进一步，请你想象你认识这些灵魂。你们中的一些人了解他们的化身。其他人则知道他们是来自家乡的朋友，因为除非你是地球本土灵魂，否则你也有自己的起源故乡。在一次次的清醒梦中，他们也和地球本土灵魂组成家庭！我们真的是一家人！

A Planet Outside Of The Milky Way  
In A Galaxy Unknown To You That  
Is Known As JASEIHOLASH, Has A  
Vast Number Of Beautiful Souls That  
Are Called PEEKAHS By Their Own  
Naming. Their Planet Is Called  
PEKANOS.

这是银河系外的一颗行星，位于您  
所不知道的，被称为杰西霍拉什  
(JASEIHOLASH) 的星系中，它拥  
有大量美丽的灵魂，自称为皮卡族  
(PEEKAHS)，他们的星球叫做皮  
卡诺斯 (PEKANOS)。

PEKANOS Is Slightly Larger Than

Earth. There Are Similarities As Well As Great Differences. When PEEKAHS Have Not Incarnated, They Have Much Greater Similarities To The Origins You Have Been Given. 皮卡诺斯比地球略大，两者有相似之处，也有很大的不同。当皮卡族没有化身时，他们与你们所拥有的起源具有更多的相似之处。

In Description Of Physical Characteristics, They Have A Very Human Like Body. Males And Females Are Strong And Muscular But Equally So. Their Skin Color Would Be Very Pink To You In Shade

That You Would Observe In A Flower. Their Faces Would Be Very 'Doll' Like As Their Eyes Are Almost Twice The Size Of Yours. They Have Very Long Eyelashes And Longer Noses But Proportioned As Yours. Their Mouth Is Shaped As A Human And They Have Teeth. They Are Beautiful To See As They Do Have A Perfect Face In What Humans Judge To Be. In Truth, We See All Faces As Beautiful!

他们的身体特征，描述起来非常像人类的身体。男性和女性都很强壮，肌肉一样的发达。他们在阴影下的肤色，是你所认为的粉红色，就像

你在花朵中看到的那样。他们的脸非常像“洋娃娃”，因为他们的眼睛几乎比你们的眼睛大一倍。他们有很长的睫毛和更长的鼻子，但和你们一样比例匀称。他们的嘴巴是人形的，并且有牙齿。他们看起来很漂亮，因为在人类的审美观看来，他们确实拥有完美的面孔。事实上，我们认为所有的面孔都是美丽的！

They Circulate Light And Have A Crystal Heart As Pleiadians And Other Elohim Races. There Is No Blood, Therefore, There Is No Disease Or Death.

他们像昴宿星人和其他耶洛因种

族一样，拥有一颗水晶心脏，并进行光的循环。他们没有血液，因而没有疾病或死亡。

These Souls Have Many That Are Members Of The Galactic Federation. They Have Families And Generations Of Children. Many Are Incarnated Now For The Grand Shift Of The Ages. Many Have Histories Of Waking Dreams With Starseeds From Many Places. Many Of You Are With Incarnated PEEKAHS. This Will Be Great Fun As The Shift Reveals All Souls As Their True Being. What Love There Will Be!

许多这样的灵魂隶属银河联盟。他们有家庭和几代孩子。许多人为时代的伟大转变而化身在此。他们中很多人的清醒梦中，都有来自各个地方的星际种子。你们中的许多人都与化身的皮卡族在一起。当扬升揭示所有灵魂的真实身份时，这将会非常有趣。那将会是怎样的爱啊！

Their Hair Is Thick And Worn Long And Straight Or Braided With Crystals. They Are Not Vain In Their Beauty But View Life In Oneness As They Embrace Another As Themselves.

他们的头发浓密，长而直，或用水晶编织。他们并不虚荣于自己的美

丽，而是将他人视为自己，生活在一  
体中。

Their Ongoing Technology Is  
Excellent And Their Abilities To  
Travel And Negotiate Peacefully With  
Others Has Brought Great Friendships.  
Those With The GF, Have Continued  
To Serve In All Capacities.

他们不断发展的技术非常出色，他  
们旅行和与他人和平谈判的能力，  
带来了深厚的友谊。那些加盟银河  
联邦的人，继续竭尽所能地服务。

They Have No War And Need For  
Governing. They Enjoy Group

Meetings In Crystal Havens That You Would Describe As Castles. There Are Ornate Carvings With Gold And Jewels. Everyone Meets Together Equally And Discusses The Business Of The Day. They Meditate And Feel The Presence Of The One Infinite Source Of All. They Are Aware Of Duality And Have Many Ambassadors That Speak As You Have Heard About On Other Stars.

他们没有战争，也不需要统治。他们喜欢在水晶制成的，您形容为城堡的地方举行小组会议，那里有华丽的黄金珠宝雕刻。大家平等相聚，讨论日常事务。他们冥想并感受到

万物中唯一无限源头的存在。他们知晓二元性，并派出许多大使演讲，就像你听说过在其他星星上发生的事情那样。

There Are No Goddesses As They Choose To Remain Equal In All Service Except The GF. None Can Compare To Their Infinite Service To The Light!

没有女神，因为他们选择在除银河联盟之外的所有服务中保持平等。

没有什么能比得上他们对光的无限服务！

They Procreate By Touching The

Tops Of Their Head Together. This Is Done Privately While Nude And The Energetic Resonance Of Their Love Will Vibrate In The Frequency Of Creation And An Infant Develops And Is Born From The Female That Day. The Race Celebrates All New Life As One.

他们通过一起触摸头顶来生育。这是在私下裸体完成的，他们爱的能量共振会在创造的频率中振动，婴儿便会发育，并在同一天从女性身上生出。皮卡族庆祝所有新生命的合一。

They Are Friendly And Loving To

All Beings. They Enjoy The Experience Of Incarnating To Earth As Many Races Are Here That Are Friends To Them At Home. Many Awaken As You Do Throughout Each Waking Dream.

他们对所有生命都很友善，充满爱心。他们享受投生到地球的体验，因为这里有许多种族，是他们在故乡的朋友。许多人从每个清醒梦中觉醒，就像你们现在一样。

Their Animals Are Not Varied As On Earth Or With Other Elohim Races In Higher Realms. They Enjoy Unicorns With Wings That They

Adore. These Are Pink, Blue, Gold Or White. They Are Powerful And Loving. They Take The Place Of Transit. They Fly As You Have Planes On Earth. They Run As You Have Automobiles. They Live On The Energy Of Light And They Never Tire. They Are Playful As Pets And Everyone Enjoys Having Many.

他们没有地球上或更高维度的耶洛因种族具有的动物多样化。他们喜欢麒麟，对其翅膀独有情钟。它们是粉红色、蓝色、金色或白色的，强大而充满爱心。它们是作转运用途，像您在地球上拥有的飞机一样飞翔，或像汽车一样运行。他们以

光能为生，永不疲倦。它们像宠物一样顽皮，每个人都喜欢养很多。

There Are Also Crafts For All Families And Exploring And Leisure Are Ongoing Throughout The Cosmos.

所有家庭都有飞船，探索与休闲都在宇宙中进行。

Colors Are Vivid With Turquoise, Pink, Lavender And The Same That You See In Origin Reveals And Some Places On Earth. There Are Mountains, Oceans, Flowers And Beauty Like Paradise.

那里颜色活泼而鲜艳，有绿松石色、粉红色、薰衣草色，以及您在灵魂起源揭示中看到的颜色一样。那里有连绵山脉，浩瀚大海，美丽鲜花和天堂之美。

Homes Are Crystal Domes That Sit On Soft Grass. One Side Is Open And They Are Large And Can Be Expanded By Intention And Magic. Soft Cushions Are Plentiful For Rest. They Consume Fresh Water And A Substance That Comes From Trees Called CABEOS. This Has All Nutrients Needed And Provides A Feeling Of Well Being. It Is The

Consistency Of A Soft Banana. The Color Is Blue. Trees Grow Abundantly And Everyone Eats When They Choose.

家是坐落在柔软草地上的水晶圆顶。有一侧是开放的，很大，可以通过意图和魔法扩展。有大量的软垫适合休息。它们消耗淡水，以及一种称为卡比奥斯（CABEOS）树上的物质。这种物质含有所需的全部营养，并提供幸福感。它粘稠如软香蕉，呈蓝色。树木长得很茂盛，人们随意选择吃。

Fairies Play With Children And Adults And Magical Games Are

Enjoyed. There Is Always Laughter  
And Joy!

小仙女们和孩子大人一起玩耍，喜  
欢玩魔法游戏。到处总是欢声笑语！

When They Incarnate, Their Guides  
Are Friends From Home. This Is The  
Choice Made On Most Stars. It Is A  
Relationship Of Love And Trust.

当他们化身时，他们的指导灵是家  
乡的朋友。这是大多数星球上所做  
的选择。它是爱与信任的关系。

Many Families On PEKANOS Await  
Their Loved Ones And Will Greet  
Them At The Grand Shift!

皮卡诺斯上的许多家庭，都在等待  
他们的亲人，并将在扬升时迎接他  
们！

Only Love Is Real And Nothing In  
Love Will Be Broken!

只有爱是真实的，没有什么在爱中  
会破损！

You Have Many Friends In High  
Places!

你在高维度有很多朋友！

EN EEKE MAI EA!

I Love You So!
