## 拉卡 ~ 叫做莎玛琳的种族

Beloved Friends!

亲爱的朋友们!

In Many Moments Of Sharing Life  
In The Vast Cosmos, We Understand  
How Strange These Beings Sound To  
You In 3-D Earth. Know Fully, Many  
Feel The Same Toward Other Beings  
That Are Faraway.

在分享浩瀚无垠宇宙中生命的很多  
时候，我们理解这在三维地球人  
听来是多么的不可思议。我们完全  
知道，许多人对其他遥远的生命也

有同样的感觉。

Take What Resonates As Truth And  
Leave The Rest! For One Can Only  
Perceive From Their Current Level Of  
Awareness. Everyone Is On A  
Journey Of Their Soul. There Is No  
Competition. We Are Simply  
Reminding You Of What You  
Already Know In The Higher Realms.

只把同频当真理，其它的忽略而过！  
因为人们只能从他们目前的意识  
水平来感知。每个人都在进行他们的  
灵魂之旅。毋需攀比。我们只是  
在提醒你，你在更高的维度已经知  
道了很多东西。

These Beings Will Be Familiar Friends  
As The Earth Shifts To Sheen!

随着地球转变到辛，这些生命将成为熟悉的朋友！

The SHAMALINE Race Is From A Planet In The Outer Milky Way Galaxy. It Is Called SHAMAL. It Is Much Smaller Than Earth. There Are Differences And Similarities In These Wonderful Beings That You Will Unite With In Sheen.

莎玛琳种族来自外银河系一个叫做沙莫尔的星球。它比地球小得多。这些奇妙的生命有相同和不同之

处，你们将在辛与他们团聚。

As SHAMALINES Grew In Knowledge And Light From The Assistance Of The Galactic Federation, Many Chose To Join The Light Forces And Learn Further As They Worked Alongside Another Member. Arcturians And Pleiadians Became Trusted Friends And The Scope Of Technology Grew Quickly As SHAMALINES Had The Expertise Of The Most Advanced Beings With Them.

在银河联盟的帮助下，沙玛琳人的知识和光明不断增长，许多人选择

加入光明力量，在与其他成员一起工作时拓展学习。大角星人和昴宿星人成为了值得信赖的朋友，由于拥有最先进生命的专业知识，莎玛琳人的技术程度迅速增长。

SHAMALINES Are 5 Feet Tall With Caucasian Skin Color. They Have Large Eyes, A Longer Nose Than Humans And A Slit Mouth. They Enjoy Colorful Robes And Headbands Covered With Crystals. They Have No Hair And They Enjoy Being In Sunlight As Their Energy Centers Are Bathed In Light Daily With Exposure.

莎玛琳人身高 5 英尺，拥有白种人

的皮肤颜色。他们有一双大眼睛，一个比人类更长的鼻子和一个狭长的嘴巴。他们喜欢五颜六色的长袍和覆盖着水晶的头巾。他们不长头发，喜欢晒太阳，因为他们的能量中心每天都沐浴在阳光里。

They Are Loving And Friendly But Prefer Being Alone On Their Planet. They Consider All Others Of Their Race To Be Family. They Do Not Have Mates And They Procreate Energetically To Have Children. They Enjoy Meditation, Dancing, Singing, Art And Staying Active With Swimming In The Large Oceans

Around The Planet.

他们充满爱心，非常友善，但更喜欢在他们的星球上独处。他们把同种族的所有其他人都当做家人。他们没有配偶，而是靠能量繁衍子嗣。他们喜欢冥想、跳舞、唱歌、艺术，和在星球周围的海洋中活力泳动。

They Grow A Substance That Contains All Nutrients Needed In Their Body. The Substance Is Smooth And Red And Grows In Pods. Each Pod Would Be A Single Meal. There Are Vast Areas Of Pods And Fresh Water.

他们种植一种物质，含有身体所需

的所有营养。这种光滑而红色的物质，长在豆荚里。每个豆荚就是一顿饭。这里有大量的豆荚和淡水。

They Live In Mountains That Are Converted To Beautiful Homes Within. Areas Have Been Cleared And Sculpted To Perfection. Crystals And Lovely Materials Form Chairs And Bedding For All. Many Meetings Are Held Within These Private Areas.

他们生活在内部被改造成美丽家园的山脉中。一些区域被清除了，雕琢得非常完美。所有人使用的椅子和床上用品，都是水晶和可爱的材料构成的。许多会议就在这些私

人区域内举行。

SHAMALINES With The Light Forces Have Visited Earth Many Times In Ancient Dreams To Assist In Building Pyramids And Great Areas Of Beauty Seen In Your Waking Dream. They Choose Not To Incarnate But It Is Only Because They Enjoy Their Life At Home With Expanded Consciousness. They Have Great Knowledge And The GF Has Gifted Them With The Joy Of The Celebrations Of Sheen. They Will Meet You As Friends And Return To SHAMAL.

莎玛琳人跟随光明力量，在古代历史上曾多次造访地球，协助建造金字塔和在你清醒梦中看到的大片美景。他们选择不化身为人类，这只是因为他们选择在母星家园享受更加扩展的意识。他们有渊博的知识，银河联盟也赠给了他们希恩庆典的喜悦。他们将像朋友一样欢迎你们，然后返回沙莫尔。

You Have Seen Many Pleiadian And Arcturian Crafts Checking Crystal Placement For The Soon Coming Shift. SHAMALINES Are Often On These Crafts And Look Down At You With Great Love!

你们已经看到，许多昴宿者人和大角星人的飞船，为即将到来的扬升检查水晶的放置。莎玛琳人经常在这些飞船上，并以极大的爱俯瞰着你们。

You Will Soon Remember! Love One  
Another!
