

PLEIADIAN COLLECTIVE ~ Orions

昴宿星人集体 ~ 关于猎户座人

(图片：NASA 拍摄猎户座星云)

老钉译， 2023.01.07

Friends Of Light On Planet Earth! 行星地球之光的朋友们!

There Is Light Throughout The Cosmos And Light Throughout The Earth! 从宇宙到地球，到处光明普照!

Know Also In Truth That Darkness Still Remains Hidden In Plain Sight As Well As Beyond Your Awareness.
也要知道，黑暗不仅仍然隐藏在众目睽睽之下，并且隐藏在你的意识之外。

In These Moments We Share Truth
About Those You Know As Reptilians.
现在，让我们分享一些你们称作蜥
蜴人的真相。

These Beings Are Called Orions And
They Call Themselves Olais And
Their Planet Is Olai.

这些生命被称为猎户座人，他们自
称是奥莱人，他们的星球叫做奥莱。

They Have A System Of Government
With A Leader Named MIKOSAH.
他们有一个政府系统，领导人名叫
米科萨。

Knowing That God Is The Creator Of
All Life Will Allow You To
Understand That Free Will Often
Gives Those Souls Of Good Will The
Focus To Find Power In Darkness.

懂得上帝是万物的创造者，你就能
理解，自由意志常常赋予那些善良
的灵魂，专门从黑暗中寻找力量。

Not All Reptilians Are Evil. Many
Follow The Light And Truly Love
Planet Earth. There Is A Division On
Their Planet Where Some Crawl On
Rocks And Mountains, While Others
Stand Upright. All Beings Are Bright

Yellow With Claws. This Sounds Disturbing To Those On Earth But Know There Are Many Types Of Bodies Throughout The Cosmos. Some Of The Most Strange To You, Might Be The Most Loving!

并非所有的蜥蜴人都是邪恶的。许多蜥蜴人追随光明，真正地热爱地球。在他们的星球上，有一个和其他直立行走类不同的，靠攀爬岩石和山岳为生的分支。所有的蜥蜴人都有爪子，身体呈亮黄色。对地球上的人来说，这听起来有点令人不安，但是，要知道在整个宇宙中，有许多类型的身体。一些对你们来说最奇怪的，可能是最有爱的！

How Did All Of The Division Come About? Why Would Any Soul Choose Darkness? It Seems We Have Covered This Lately With Moments Of Sharing. Let Us Return And Review.

所有这些分支是怎么产生的？为什么会有灵魂选择黑暗？我们最近好像分享过，让我们再来回顾一下。

In The Creation By God In Elohim, Many Races Stood Together In Love As They Expressed In Form That Was Beautiful To Each. Reptilians Were Found To Be Loving And Kind. Over

Thousands Of Years Their Beauty Was Corrupted With Vowing To Rise Above Others In The Galactic Federation To Take Over And Not Be Apart Of The Group. They Were Eliminated From Participation As They Were Seen To Be Corrupt. There Remains Large Groups Of Orions That Are Benevolent And Would Extend Great Love To All Beings.

在上帝创造的伊洛因种族里，许多在爱中团结一体，并以各自美丽的形式表达出来。蜥蜴人也是有爱心和善良的。然而，几千年来，他们的美好，被崛起于银河联盟其他种族之上的毒誓腐蚀了，他们要接管

这个群体，而非仅仅成为其中一员。由于被公认的腐败，蜥蜴人被逐出银河联盟。仍然有一大群猎户座人是仁慈的，他们会向所有的生命伸出大爱之手。

The Dark Reptilians Do Not Control Earth But Have The Influence Through Dark Forces That Remain Active Around Planet Earth. The Beings That Have Influenced Depopulation From Toxins Sprayed Above You For Years, To The Vaccines That Were Produced In An Effort To Take Out The Masses If The Virus Was Not Successful. Many

Of These Are Involved With The Products That You See Masquerading As Humans. There Is Nothing To Fear As The Galactic Federation Has Always Been A Step Ahead Of The Game. Relax As You Know These Forces Will Exist Until The Shift. But The Galactic Federation Is Infinite In Power And Light! We Have You Covered!

黑暗的蜥蜴人并没有控制地球，但通过仍在地球周围活动的黑暗势力产生影响。从多年来喷洒在你头上的毒物，到为了防止病毒失败而生产的减灭人口的疫苗，在他们的影响下，地球人口在减少。许多爬

虫人涉嫌制造你们看到的伪装成人类的产品。没有什么好害怕的，因为在这场游戏中，银河联邦一直处于领先。知道这些势力直到扬升前都将一直存在，你就可以放松下来。但是，银河联盟是无限的光明力量，你们在我们的完好保护之下！

These Beings Are Advanced In Culture And Technology. They Have Constructed Large Cities And Buildings With Homes And Beautiful Land. There Is More Of A Dictatorship With The Constant Fighting Between Those That Choose Love And Those That Choose

Darkness And Control. There Are More In Numbers That Are Dark Than Light! That Will Change. But The Moment Has Not Come. Earth Understands Duality But Not To This Degree. Those With The Most Darkness Within Choose Caves And Deserted Caverns Far From The Other Beings.

这些蜥蜴人在文化和技术上都很先进，已经建造了大型的城市和建筑，拥有家园和美丽的土地。在选择大爱和黑暗控制的人们之间的持续争斗，更多的是关于独裁。虽然黑暗比光明的人数多，这将会改变，只是这一时刻尚未到来。地球

虽然理解二元性，但也没有料到会极化到这个程度。那些内心最黑暗的人，选择荒废洞穴，离群索居。

These Beings Incarnate To Earth And Often Have Soul Plans To Arrive At Locations Where They Know Others Will Be Arriving. There They Hatch Plans Of Darkness. It Is True That Souls Are Fully Aware And Free In Their Natural State. But Some Souls Actually Prefer To Enter Waking Dreams To Regain Power Or Enjoy Seeing Others Brought Down In Suffering. These Are Not Souls As You Have Heard Of In The Higher

Realms Which Retain The Light Of The Higher Vibrations. These Are Souls That Live In Darkness On Their Own Planet, And Arrive On Yours. This Is Allowed By The GF As Not Interfering With Free Will, But Monitoring Closely And Taking Action When It Is Called For!

这些蜥蜴人通常按照灵魂计划，在某些地方化身为地球人，等待其他人的到来。他们在那里孵化黑暗的计划。诚然，灵魂在其自然状态下是完全觉知和自由的。但实际上，有些灵魂更愿意轮回到清醒梦里，以重掌大权，或享受看别人在痛苦中倒下。这些灵魂并不是你们听说

的，在更高维度保留了更高振动之光的灵魂。**这些灵魂生活在他们自己星球上的黑暗中，然后流窜到你们地球上。**因为不干涉自由意志的原则，银河联盟允许他们这么做，但是密切监视，并在需要时采取行动。

Many Reptilians Have Worked With The Cabal As Royalty And Around 100,000 Are Currently On Earth As They Take Part In Blood Sacrifices And Drink Blood In Rituals To Summon Dark Entities From Astral. Fear Nothing! As This Has Taken Place In All Waking Dreams. Their

Time Is Short!

许多蜥蜴人作为皇室成员与阴谋集团合作，目前约有 10 万蜥蜴人在地球上，他们参与血祭和饮血仪式，以召唤来自星体界的黑暗实体。不要害怕！因为这已经发生在所有清醒梦中。他们的时间不长了！

They Have Large Green Crafts That Circle The Earth But Are Only Allowed The Perimeters Consented By The GF. If They Enter The Space Of One Thousand Miles, Their Crafts Are Hit With Pleiadian Technology And They Dissolve On Impact.

他们有绿色的大型飞船，环绕地球，

但只被允许在银河联盟同意的范围内。如果他们进入方圆一千英里的空间，他们的飞船就会被昴宿星人的技术打爆并解体。

Reptilian Souls That Are Incarnated
And Choose Light Will Blend As One
Light And Shift To Sheen! Their
Planet Will Be Cleansed Of Darkness
And Light Will Once Again Prevail.
They Will Thrive!

化身地球并选择光明的蜥蜴人灵魂，
将融合为合一之光，转变到辛！
他们的星球将被清洗掉黑暗，光明
将再次占上风。他们将茁壮成长！

The Planet Of Grave Duality Is Full Of Hatred And Love As Those Longing For Light Want To Be Free! They Are Temporarily Cut Off From The Allies They Once Loved. The Galactic Federation Will Free The Planet And Those Of Darkness Will Forever Be Removed.

这个严重二元化的星球，充满了恨和爱，因为那些渴望光明的人想要获得自由！他们暂时被切断了与曾经热爱的盟友的联系。**银河联盟将解放这个星球**，那些黑暗的人将永远被清除。

All Beings Are Created With Souls

Of Light! All Creation Is From One
Source!

所有的生命，都是带着光明的灵魂
被创造的！所有的创造都来自一个
源头！

We Are The Light Of God!

You Are The Same Light!

我们是上帝之光！

你也是同样的光！

Rise High With Your Light!

We Love You So!

PLEIADIAN COLLECTIVE

带着你的光，高高升起！

我们如此爱你！
