

尼奥-关于那些恐龙

NEIOH ~ About Those Dinosaurs!

Greetings Beloved Ones!

This Communication Is Sent With Great Love But We Fully Understand It Might Be Very Strange In Your Perception!

Knowing That Billions Of Waking Dreams Have Played Out With Changes, Wars And Actors, Know Also That Answers Were Offered With No Real Knowledge And So-Called Science Changed The Narrative Even In This Waking Dream.

Dinosaurs Existed Of Course. But In This Dream, Some Religions Found This Contradictory To Their Teachings, Even When Giant Skeletons Or Bones Were Discovered. In Fear, Mankind Has Always Created Their Own Answers.

Buckle Up, For You Are About To Hear Words You Have Never Imagined!

There Were Many Sizes And Types Of Dinosaurs Which Were Given Names And You Were Told Whether They Ate Meat Or Plants. You Understood They Fought One Another Over Millions Of Years Until They Became Extinct. The Relics Tell A Story, But Not The Whole Story. Most Of You Would Just Be Content That They Left Earth Almost 70 Million Years Ago.

Let Us Begin.

There Is A Large Planet Beyond Your Galaxy That You Would Pronounce As KRON. These Beings Are A Peaceful Race That Stand About 4 Feet Tall. Their Skin Is Bright Silver. They Are Advanced With Technology As Far As Traveling. They Have Never Chosen To Connect With Others And Live Privately. We Have Met With Them And Invited Them To Incarnate To Earth But Their Choice Has Remained. They Visited Earth Many Times In Very Ancient Dreams And Brought Their Animals Which Were Also Their Pets. Known To Them As RIOS, They Are Called Dinosaurs On Earth.

Their Beloved Pets Were Very Small. Between The Size Of A Dog And Horse On Earth. They Were Multiple Colors And Their Temperament Was Very Gentle. On One Such Adventure, The KRONs Walked Peacefully Through Empty Land On Earth With Their Animals. A Group Of Arcturians Landed In The Area Where They Walked. Being Fearful As They Observed The Giant Blue Beings That Came In Peace And Love, They Scrambled To Return To Their Crafts And Leave.

They Left Their Pets Behind. Arcturians Gave Them Water And Food. They Were Frightened. FAE Came Forth From The Mountains And Claimed Them To Care For And Give Them Peace. The Arcturians Left Knowing The Animals Were Safe. FAE Took Them Safely Underground Where They Thrived And Were Nourished.

Over Time, They Were Allowed To Venture Out And Learn To Survive. The Fairies Gave Them Power And Magically Made Them Larger In Body Form To Enjoy Eating Trees And Large Plants. They Could Dig The Earth And Find Water. As They Became Powerful, They Also Became Competitive. They Began To Fight One Another Over Food And Land. The Attacks Led Some To Devour Others.

Millions Of Years Of Change Caused Death With Many And Growth With Others. Their Essence Remained In A Frequency Unseen On Earth But There Was No Death. Many Lived On With Created Bodies In 4-D Astral. They Were Eventually Discovered In Astral By A Group Of KRONs That Knew Of Their Experience And Size. They Had Always Regretted Leaving Them Behind. The KRONs Were Met By Fairies In Astral Who Understood The Dilemma Of What They Faced. Fairies Had The Power To Reverse The Magic And Create Small Bodies Again. The KRONs Gathered Their Animals And Returned Them To Their Rightful Home. The Bones And Skeletons Found Tell A Story Of Dinosaurs That Roamed The Earth.

Now I Have Shared With You A Story Of Love Which Is True! The RIOS Live On In A Small Form With Great Love!

Allow This Brief Information To Expand Your Consciousness As You Understand The Enormous And Unlimited Amount Of Information That Is Known By Your Own Soul!

In Light We Live Infinitely!

EN EEKE MAI EI!
I Love You So!

NEIOH ~ 关于那些恐龙!

老钉译, 2022年0月19日

亲爱的朋友们, 你们好!

这个通信是带着巨大的爱发出的, 但我们完全理解在你的感知中它可能是非常奇怪的!

要知道, 数十亿的梦境在变化、战争和演员的作用下上演, 也要知道很多答案背后并没有真正的知识, 而所谓的科学甚至在当下这个梦境中也改变了说法。

恐龙当然是存在的。但在这个梦境中, 一些宗教发现这与他们的教义相矛盾, 即使有被发现的巨大骨架或骨头作为证据。人类总是在恐惧中制造他们自己的答案。

请系好安全带, 因为你将听到你从未想象过的话语!

有许多尺寸和类型的恐龙被赋予了名字, 你被告知它们是吃肉还是吃植物。你知道它们在几百万年的时间里互相争斗, 直到它们灭绝。这些遗迹讲述了一个故事, 但不是全部。你们中的大多数人, 只是知道恐龙在近7000万年前离开地球就满足了。

让我们开始吧。

在你们的银河系之外有一个大星球, 你们会把它发音为克朗 (KRON)。这些生物是一个身高约4英尺, 皮肤呈亮银色的和平种族。他们在旅行方面的技术很先进。他们从未选择与他人联系, 而是悄悄地过着自己的生活。我们曾与他们会面, 并邀请他们到地球上化身, 但他们仍然有自己的选择。他们在非常古老的梦中多次访问地球, 并带来了他们的动物, 也是他们的宠物。他们称之为里奥斯 (RIOS), 在地球上被称为恐龙。

他们心爱的宠物非常小, 大小介于地球上的狗和马之间。它们有多种颜色, 性情也非常温和。在一次冒险中, 克朗带着他们的动物, 和平地行走在地球上的空旷大地上。一群大角星人降落在他们行走的地方。当他们观察到这些蓝色的大个子, 以和平和爱的方式到来时, 感到非常害怕, 于是争先恐后地逃回到他们的飞船飞走。

他们留下了自己的宠物。大角星人给了它们水和食物。它们被吓坏了。精灵从山中走来, 要求照顾它们, 给它们和平。大角星人知道这些动物是安全之后就离开了。精灵们把它们安全地带到了地下, 在那里, 它们得到了滋养, 并繁衍起来。

随着时间的推移, 它们被允许出去冒险并学会生存。仙女们给了它们力量, 并神奇地使它们的体型变大, 以享受吃树和大植物的乐趣。它们可以挖掘土地并找到水。随着它们变得强大, 它们也变得好胜起来。它们开始为争夺食物和土地而相互厮杀。攻击导致一些动物吞噬了其他动物。

数百万年的变化导致许多恐龙死亡, 而另一些则成长。它们的精华留在地球上看不见的频率中, 但没有死亡。许多恐龙在四维星体层中, 以创造的身体继续生存。最终, 在星体界, 被一群知道它们经历和规模的克朗发现, 他们一直后悔当初拉下了它们。仙女们在星体层见到了克朗, 她们非常理解其所面临的困境。仙女们有能力逆转魔法, 再次创造出小身体的恐龙。克朗们集合了他们的动物, 并将它们送回了原来的家园。找到的骨头和骨架讲述了一个关于恐龙在地球上游荡的故事。

我刚刚与你分享了一个真实的爱的故事。里奥斯身形虽小, 却活在大爱中!

请让这个简讯扩展你的意识, 以理解你自己的灵魂知道无限巨大的信息!

在光中, 我们无限地活着。

EN EEKE MAI EI!
我是如此爱你!
尼奥
