Friends Of Light From High Places! 高
维之光的朋友们！

We Greet You As Family! Many Of
You Live As Our Close Friends In The
Pleiades. Others Are From Stars
Throughout Many Galaxies. Light
Connects Us Within The Infinite Soul.
This Communication Will Answer The

Questions Of Head Coverings Seen On Earth.

来自家人的问候！你们很多人是我们在昴宿星的密友。另一些人来自众多星系里的群星。是光，让我们在灵魂的无限中紧紧相连。本篇交流里，我们来解答地球人常见的头饰问题。

Practices With Doctrines And Growing Indigenous Cultures Have Shaped Your World In Beauty. There Was A

Beginning For Head Coverings In What
Became Trends With Religions, Rulers,
Kings And Pharaohs. Pleiadians Began
The Expression On Earth From Their
Own Life In Origin.

教义下的习俗，以及发展的本土文化，
把你们的世界打造成这般美丽。自开始
佩戴头饰以来，它渐渐在宗教、统治者、
国王和法老中变得流行。而昴宿星人开
始在地球上的表达，则来自他们自己起
源地的生活。

Soft Wide Bands With Crystals Are
Often Worn By Pleiadians That Gather

For Group Meditations. This Can Be
Done Alone As An Individual Choice.
The Bands Are Programmed With Intent
And Great Care. There Are Many
Wonderful Functions Of This Creation.
Spirit Communication Is Amplified,
Telepathy Can Become Audible. Inner
Sight Is Projected In Real Time To Be
Seen In The Outer World As Light
Expands.

昴宿星人经常在会聚做集体冥想时，佩

戴镶嵌水晶的柔软宽带。个人也可以选择单独佩戴。这些带子经过意念的精心编程。这项创造具有多种奇妙功能。它可以放大灵性交流，让心灵感应变得清晰可闻。随着光的放大，内视的东西会实时可见地投射到外部世界。

These Beautiful Bands Relax The Body And Open Chakras With Light. They Are Individually Designed To Have Colors Chosen By Each Pleiadian. These

Are Given As Gifts To Friends In The
Higher Realms From Sirius,
Andromeda And Arcturus. They Are
Worn As Fashion In Celebrations And
Enjoyed With Moments Of Communing.

这些美丽的饰带能放松身体，并以光打
开脉轮。它们是独立设计的，各种颜色
可供每个昴宿星人挑选，还可以作为礼
物送给天狼星、仙女星和大角星的高维
朋友们。在庆典活动中，佩戴它们是一
种时尚，人们很喜爱用它们交流。

When Pleiadians Visited Earth In
Ancient Dreams, They Brought Many

Gifts. One Of These Gifts Was Their
Beautiful Bands. These Were Freely
Given With Teachings Of The
Ability To Amplify Light. This Was A
Concept Understood By All Cultures In
Many Parts Of The World. From This
Teaching, More Uses Were Explained
To The Individual. Meditation Had
Already Been Utilized In Many Waking
Dreams. But For Earth Native Souls
And Those Living In Primitive Lives,

Meditation Was Crucial In Survival.

These Bands Enabled Focus With Clarity

And The Soul Within Was Met.

在古代清醒梦里，造访地球的昴宿星人带来了许多礼物，其中一件就是他们美丽的饰带。他们免费送给了地球人，并教会他们如何用它们放大光。世界各地的所有文化都了解这一概念。个人还可以从统一教导中，延伸出更多的用途。在许多清醒梦里，人们已经使用了冥想。但对于地球本土居民和那些生活在蛮荒

中的人来说，冥想是生存的关键。这些带子可以让人集中清晰注意力，使内在灵魂得到满足。

Learning Basic Teachings Of The Soul
And The Power Of Light Began To
Spread Throughout The Earth. Early
Tribes Throughout Many Regions
Created Colorful Bands With Crystals,
Stones And Feathers. Native Americans
And Those In Areas Unknown To

Others Enjoyed The New Experiences.
Discoveries With Soul Alignment
Brought Dancing And Creating Art From
Light Bands Introduced By Pleiadians.
Many Souls From The Higher Realms
Incarnated And Expanded The Teachings
Further.

学习灵魂和光之力量的基础教授，开始在地球各地传播开来。许多地区的早期部落，用水晶、石头和羽毛制作了五颜六色的饰带。美洲土著和那些不知地区

的人们，享受着新的体验。和灵魂对齐的发现，也让人们借昴宿星人引入的光带创作了舞蹈和艺术。许多高维灵魂化身身后，进一步扩展了教导。

In Ancient Egypt, Many Pleiadians Lived In Waking Dreams. Magnificent Head Coverings With Jewels Were Enjoyed. The Basic Premise Was The Bands Of Gold And Crystals. This Continued Through The Ages As Fine Silks And

Tapestries Were Enjoyed. The Most
Powerful Pharaohs Enjoyed Crystals,
Bands And Ideas Of Spirituality.

许多昴宿星人曾经生活在古埃及的清醒梦里。那时的人们喜欢镶嵌珠宝的华丽头饰。其基本构造是金带和水晶。这种情况随着人们对精美丝绸和挂毯的喜爱，一直延续数个世纪。最有权势的法老们喜欢水晶、饰带和灵性理念。

As Earth Progressed And Kings Were

Chosen, The Power In Place Chose
Crowns And Jewels To Depict Their
Abilities. The Meaning Of Going Within
Was Lost And The Introduction Of
Religious Doctrine Was
Expanding Throughout The Earth. In The
Current Waking Dream, You May
Observe Many Coverings of The Head
With Those In Doctrine. These Are
Varied With The Amish, Jewish
Population, Hindus, Muslims And Tribes

In Many Locations. All Of These Practices Are Accepted And Seen By Everyone. But Few Understand The Origin Of These Expressions.

随着地球的进化，产生了国王，当权者选择皇冠和珠宝来展现他们的威力。回归内在的意义逐渐消失，而引入的宗教教义却在地球上不断扩大。在当前的这场清醒梦中，你们可能会看到许多信奉宗教教义者的头饰。在阿米什人、犹太人、印度教徒、穆斯林和各地部落中，

都可以看到五花八门的头饰。所有这些习俗都被大家看到并接受。但很少有人了解这些表达方式的起源。

Another Practice On Earth That Came From Pleiadians Is Hair Growth. It Is Considered To Be Power And An Honor In Many Religious Doctrines To Not Cut The Hair. It Was Told In Biblical Stories Of Men With Power And Strength That Was Related To Their Hair.

This Practice Came From Pleiadian Souls That Walked The Earth In Many Dreams. The Practice Of Souls In Origin Is To Enjoy Long Hair As An Expression. We Do Not Have Power From Our Choice Of Hair Length And We Choose Our Look By Individual Preference. But We Understand The Influence Of The Projections On Earth And There Is Nothing At All Wrong With This Expression.

地球上另一种来自昴宿星人的习俗是蓄发。在许多宗教教义中，不剪头发被认为是一种力量和荣耀。《圣经》故事里讲述了有权力的人蓄发。这种做法源自在清醒梦里化身地球的昴宿星人灵魂。而在起源地，人们喜欢留长发，以此作为一种表达方式。我们并不因为头发越长就力量越大，我们是根据个人喜好来选择自己的造型。但我们理解对地球上投射的影响，这种表达方式没有任何不妥。

For Those Desiring To Experience The Power Of Light Bands, You May Create Your Own. Choose A Soft Material Of Any Kind And Any Design And Trust The Process. You May Add Your Favorite Crystals Or Stones. Comfort Is Essential And It Would Be Loose Enough To Allow Focus While Moving Or Walking. Use The Bands To Amplify Light And Inner Sight During Meditation.

The Band Should Be Very Wide And Fit Almost Like A Soft Hat. Allow The Band To Cover The Ears. This Allows A Soft Touch Over The Vagus Nerve Which Relaxes The Body. Breathe Deeply, Close Your Eyes And Enjoy The Gifts That Will Follow.

对于那些希望体验光带力量的人，你可以自己制作光带。挑选任何种类的软质材料，使用任何设计，并相信这个过程。您可以添加自己喜欢的水晶或宝石。光

带必须舒适，并且要足够宽松，以便你可以在走动中集中注意力。在冥想时，使用这些带子可以放大光和内视。带子应该非常宽，像软帽一样贴身。让带子盖住耳朵。这可以让迷走神经受到柔软的触感，从而放松身体。深呼吸，闭上眼睛，享受随之而来的礼物。
