First You Will Notice The Silver And  
Blue Mountains With A Wide Range  
Of Large Colorful Birds In The Air!

首先，你会注意到银蓝色的山峰，  
空中有各种大型的彩色鸟类！

Beams Of White Light Will Blend  
With The Glimmer Of Large Crystals

Sitting In Soft Pink Grass. AYA  
Rather Loves Pink And Often  
Changes Many Aspects Of Our Life  
To Pink! We Love Her So!

白色光束融合在坐落在柔软的粉  
红色草地上的大型水晶的光辉里。  
阿雅相当喜欢粉红色，并经常将我  
们生活的许多方面改变成粉红色！  
我们如此爱她！

You Will See Giant Flowers Of Every  
Color Imaginable! Trees Are Tall In  
Varied Colors Such As Blue Or Silver.  
你会看到各种所能想象颜色的巨  
型花朵。树木高大，颜色多样，例  
如，蓝色或银色。

Crystal Bridges Connect In Many  
Places And Friends Are Always  
Walking The Area As Music Plays  
Softly As The Celebration Of Life  
Never Stops. You Might Observe Me  
Dancing If I Am Not Busy In Flight!

许多地方都有水晶桥相连，朋友们  
总是在这里散步，音乐轻柔地响起，  
对生命的庆祝从未停止。如果我不  
忙着飞行，你可能会看到我在跳舞。

AYA Often Sits In Light On Soft  
Tapestries Interwoven With Pink  
Crystals. Her Long White Hair  
Touches The Grass As She Sits In

Long Ethereal White Gowns. Fairies Dance Before Her And Enjoy Being In Her Lap. She Adores Them!

阿雅经常坐在有粉色水晶交织的柔软挂毯上，沐浴在光里。她穿着空灵的白色长袍，白色长发轻抚草地。仙女们在她面前跳舞，享受她的膝上时光。她很喜欢她们！

My Father, Elder IKAI, Will Often Be Seen With Archangel Michael As They Converse While Sitting In Large Crystal Chairs At The Entrance Of Our Home. Colorful Vases Of Flowers And Golden Bowls Of Crystals Are Displayed On Tables. Tall Columns

Surround The Area Of Crystal Floors.  
Arched Doorways Enter Areas Where  
We Rest And Share Information.

经常会看到我的父亲伊凯长老，和  
麦克大天使坐在我们家门口的大  
水晶椅子上交谈，桌子上摆放着五  
颜六色的花瓶和金色的水晶碗。高  
大的柱子环绕着水晶地面。拱形的  
门洞通向我們休息和分享信息的  
区域。

Children In The Area Love To Fly  
And Play With Light Toys! Fairies  
Have Shared Their Powers And Magic  
Since Creation Began And They Are  
Part Of The Family Of Light!

这里的孩子们喜欢用光的玩具飞翔和玩耍。自从创世以来，仙女们一直在分享她们的力量和魔法，她们是光之家族的一部分。

KABAMUR And NEIOH Enjoy Flying Together Often In Large Crafts. They Enjoy This So Much That We Think Of Them As Best Friends. They Will Always Disappear On Long Adventures And We Are Accustomed To This. They Will Unite As The Earth Shifts.

卡巴默和尼奥经常在大飞船中一起飞行。他们非常喜欢这样做，以至于我们把他们当成了最好的

朋友。我们已经习惯了他俩总是在长期的冒险中消失的无影无踪。他们会在地球扬升时重逢。

We Enjoy Every Type Of Animal And We Have Our Own Pets That We Often Take On Our Crafts. AYA Has A 20 Feet Long White Tiger Named UKA. She No Longer Travels To Explore But She Was Fierce When She Traveled Alone Or With Her 4 Sons For Billions Of Years! Fairies Always Took Dark Beings Out And Tossed Them Into The Abyss!

我们喜欢各种类型的动物，我们有自己的宠物，我们经常带着它们上

飞船。阿雅有一只 20 英尺长的白虎，名叫乌卡（UKA）。她不再旅行探索，但几十亿年来，当她独自或与她的 4 个儿子一起旅行时，她是很猛敢的！仙女们总是把黑暗生物带出去，把它们扔进深渊！

Elder IKAI Commands The Important Aspects And Decisions Concerning Earth. Everyone Has Their Input And He Listens Well And Ponders All With The Power Of Light He Carries. 伊凯长老指挥着有关地球的重要方面和决定。每个人都有自己的意见，他善于倾听，并以他所携带的光的力量思考所有问题。

I Enjoy Music And Dancing. I Enjoy  
Our Arcturian Friends For Their Sense  
Of Humor. I Laugh Often And Love

Deeply.

我曾经被称为小弟弟，但经过数十亿年，我开始对宇宙的每一个动作感兴趣。现在，当我在爱中来到你身边时，我已经成熟了。我喜欢音乐和舞蹈。我喜欢我们大角星朋友的幽默感。我笑口常开，深爱在心。
