AYA ~ If Love Could Speak 阿雅 ~ 如果爱会开口说话

(老钉译, 2024年11月11日)

Beloved Ones Of My Heart! 我心爱的人们!

We Might Agree That The Word
"Love" Is Misused And Not Sincere At
Times. Some Would Say That This
Word Is Used Too Much. Others Would
Say It Is Never Enough. This
Communication Is Much Deeper Than

Words. Everyone Hears Phrases Such As "The World Needs Love," "Find The Love" Or Even "We Are Love." But What If Love Itself Could Speak. What Would It Say? How Can I Assist You In Hearing From Love? I Will Do My Best To Become Love For You Now. Listen As I Express From My Being. 我们可能会同意,"爱"这个字有时会 被误用,而且并不真诚。有些人会说, 这个词被滥用了。也有人说,爱永远说

不够。此篇交流远比语言深刻。每个人 都听到过这样的语句,比如"世界需要 爱"、"找到爱",甚至"我们就是 爱"。但如果爱本身能张口说话,它会 说什么呢? 我该如何帮你听到爱的声 音? 现在,让我尽力成为你们的爱。请 听我存在的表达之言。

I Am Love. I Hold You Now No Matter Who You Are. No Matter What You Have Done. You Belong With Me.

As I Have Waited For You To Remember Our Moments, I Have Gently Reached Out Many Times. I Will Never Stop My Visits To Your Heart. Listen As I Tell You Things That You Forgot. 我就是爱。不管你是谁,我现在拥抱着 你。无论你做过什么,你属于我。因为 我一直等待着你记住我们的时刻,我曾 多次温柔地伸出手。我永远不会停止对 你心灵的探访。请听我告诉你那些你已 经遗忘的事情。

Let Go Of The Opinions Of Others. Let Go Of Your Opinions Of Yourself. The Beauty Of Your Essence Covers Timelessness In The Higher Realms. I Have Journeyed With You To This Place Once Again. We Are More Than Close. I Am Part Of You. We Cover All Relationships And Stories Together. I Am Your Friend, Your Partner, Your Parents And Your Children. I Am The

Eyes Of Your Pet, The Water You Drink And The Mountains You Climb. I Am The Depth Of The Ocean And The Voices That Sing In Magnificent Harmony. I Am Within The Laugher You Enjoy And The Tears That You Cry. I Am Love. I Love You Now And Always. Remember Me. 放下对别人的看法。放下对自己的看法。 你的美好本质涵盖了高维之永恒。我和 你一起再次来到这个地方。我们亲密的

不能再亲密了,因为我是你的一部分。 我们共同覆盖了所有的关系和故事。我 是你的朋友、伴侣、父母和孩子。我是 你宠物的眼睛,是你喝的水,也是你攀 登的山。我是深邃的海洋, 也是和声妙 婉的嗓音。我在你的笑声中, 也在你的 泪水里。我就是爱。我现在爱你,永远 爱你。记住我。

I Speak That I Would Not Take Away All Of Your Problems For Each Perceived Moment Is Showing You The Strength And Resilience Of Being. I Would Gently Help You Stand If You Ever Felt Alone. Then I Would Sand Back And Watch You Smile And Flourish In Your Own Light.

我说,我不会带走你所有的问题,因为,每一个感知到的瞬间,都在向你展示存在的力量和坚韧。如果你感到孤独,我会轻轻地扶你站起。然后,我会站在你肯后,看你微笑着在自己的光芒中绽放。

I Would Direct Your Path Of Knowing That Serving Others Is Aligning With Me. For I Give Endlessly And The Result Is More Love. I Grow And Expand Into Galaxies And Light Spreads Among All Life That I Touch. 我会指引你的道路,让你知道,服务他

我会相切你的追路,但你知道,服务他人就是和我对齐。因为我无限地付出,结果是更多的爱。我不断成长,扩展成星系,我的光洒向我所触及的一切生命。

I Have Shown You Throughout All Waking Dreams That A Broken Heart Allows More Compassion. I Comfort You In Each Sorrow And Rejoice With You As I Am Found Again In Your Heart.

在所有清醒梦中,我都向你展示,破碎的心会带来更多怜悯。我在每一次悲伤中安慰你,在你心中再次找到我时,与你一起欢喜。

I Have Covered Your Experiences With A Lens Of Grace So That You Know You Are Never Alone. I Always Open A Path For Everyone. You Are Here Now. You Made It Through Everything. 我用优雅的透镜覆盖你的经历,让你知 道你从不孤单。我总是为每个人开辟一 条道路。现在,你终于在这里。你经历 了一切。

I Give You What Is Needed And Not Always What You Want. But The Astonishing Outcome Of This Love Is That You Will Know This Is Best. Only Love Could Give You This Depth Of Power And Softness Together. See Me In All Things. I Am Here. 我给你的,是你需要的,而不总是你想 要的。但这种爱的惊人结果是,你会知 道这是最好的。只有爱才能让你拥有这 种深沉的力量和温柔的感觉。在万物中

I Am In Stillness And Quietness. I Am With Your Breath As You Commune With Me. I Am Spirit And I Created All Things. I Speak Through The Ethers And Colors Explode In Sound. I Rejoice When Souls Change Densities And Stories. I Touch The Face Of Babies As They Are Born. I Move And Live And Have My Being In Thunder

And Rain. I Melt Snow And Ice With My Touch. I Hold The Little Birds Until They Can Fly. I See The Motherships And I Join Them In Light. I Am.

我存在与静谧与安宁之中。我在你与我 交流时的一呼一吸里。我是精神,我创 造了万物。我在以太中说话,但见声光 爆发。我欣喜于灵魂改变密度和故事。 我轻抚新生儿的面庞。我活在雷雨交加 之中。我用触摸融化冰雪。我抱着小鸟

一直到它们可以飞翔。我看到母舰,并在光中加入它们的行列。我是我所是。

Love One Another With A New Understanding. Become Love And Know Me In A New Way. I Am Within Reach Of Every Soul And Every Particle Of Existence. Ignore Me And I Will Remain Close By As I Wait For You Once More. I Am Love. 以全新的理解互爱吧。成为爱,以新的

方式认识我。我就在每个灵魂和每个粒子的触手可及之处。如果你忽略了我, 我会一直在你身边,就像我再次等待你一样。我就是爱。

I Would Tell You That I Can Be Trusted. I Am Never Leaving You. I Hold You In A Strength And Sweetness That Will Carry The Stars And All That Exists. Lean On Me And Find Yourself.

我会告诉你,我值得信赖。我永远不会离开你。我甜蜜而有力地拥抱你,它能 承载繁星和一切。依靠我,找回你自己。

Let Love Be Your Life. 让爱成为你的生命。

Love Will Give You Everything. 爱会给你一切。

EN EEKE MAI EA! 恩溢满爱! I Love You So! 我如此爱你!
