Beloved Ones Of This Waking Dream!

这场清醒梦中的亲爱的人们！

Your Life As A Human Being Seems
So Real. Everything Is In A State Of
Constant Change With Flowing Energy.

We Communicate Ongoing That You
Are Creators. You Carry Light And
Magic Within Your Being. Your

Energy Field Is Alive With
Movement And Color Unseen To Human
Eyes. Your Connection To All Life In
All Places Is Within Consciousness.
With This Understanding, We Will
Address Psychic Attacks And The Exact
Manner Of This Unfolding.

你们做为人类的生活，看似如此真实。
一切都在流动的能量中不断变化。我们
不断地向你们传达，你们是创造者。你
们的生命中蕴含着光与魔法。你们的能

量场充满了人类肉眼看不到的运动和色彩。在意识之中，你们与各地的所有生命联系在一起。有了这样的认识，我们来揭示什么是精神攻击，以及这种攻击的具体展开方式。

A Psychic Attack Can Be Terrifying. It Can Prevent Sleep As Fearful Thoughts And Feelings Of Dysregulation And Discord Cover The Being. It Seems Very Real And A Sense Of Despair

And Foreboding Prevent One From Finding Their Way Out. Sometimes There Has Been An Argument, A Moment Of Receiving Horrific News, The Ingesting Of Alcohol And Drugs Or Even Indulging In Watching Horror Movies. Any Of These Things Can Lower The Vibrational Frequency Of The Individual. All Of These Things Affect Energy And The Person Can Feel Trapped In A Cocoon Of A Low

Frequency. Within This Frequency, A
Psychic Attack Is Powerful.

精神攻击会令人恐惧。当我们充斥恐惧
想法和不和谐的失调感觉时，它会让人
无法入睡。一种看似非常真实的，绝望
和不祥的预感，让人找不到出路。有时
是发生争吵，或是接到可怕的消息，有
时是摄入酒精和毒品，有时甚至是看恐
怖电影上瘾。这些事情都会降低个人的
振动频率。所有这些都会影响能量，让
人感觉作茧自缚般被困在低频中。在这

种频率下，精神攻击是很厉害的。

The Realization Of Truth Will Allow
Understanding That There Is One
Universal Consciousness. This Could Be
Called 'The Universal Mind.' Within
This Consciousness, There Are
Individual Expressions That Are Souls.
This Allows Telepathy And
Communication With Souls Of
Origin And Those Of Other Densities.

Within This Understanding Lies The
Absolute Knowing That A Human Being
Can Receive Negative Attacks From
Areas Beyond Their Own Intent. With
Meditation, Seeing Light Around Your
Being And Cleansing Your Field Daily
You Can Thwart These Attacks As
They Arrive.

了解真相会让人明白，存在着一个统一的宇宙意识。这可以被称为'宇宙心灵'。在这个意识中，有作为灵魂的个体表达。

这样就能与起源和其他密度的灵魂进行心灵感应和交流。这种理解蕴含着一种绝对的认知，即人类可以受到来自自身意图以外领域的负面攻击。通过冥想、看到你周围的光以及每天净化你的能量场，你就能在这些攻击到来时将其挫败。

The Takeaway From This Message Is To Know Fully That You Are Always Safe. The Personality Might Become Upset With Chaotic Energy Which

Draws Like Energy Of The Same Frequency. But You Truly Have The Power To Refuse The Onslaught Of Attacks. Do The Work And Light Will Take Care Of The Rest. Meditate And Go Within. Commune With The Presence Of God. Here Is The Peace Of All Existence.

从这条信息中得到的启示是，要充分认识到自己永远是安全的。混乱的能量会吸引相同频率的能量，人格可能会因此

而感到不安。但你确实有能力拒绝攻击。
做你该做的事，光会帮你解决剩下的问题。
冥想，进入内在。与神的存在交流。
这里有一切存在的安宁。

For Those That See In Darkness Or
Travel In Astral, There Is Nothing To
Fear. Entities Will Be Seen And Many
Will Approach. Ignore Them And They
Grow Weaker. What You Focus On
Becomes More Powerful. Create Beauty

With Thoughts And Your Life Will
Become Magnificent.

那些看到黑暗，或是在星体层旅行的人，
没什么好怕的。实体会出现，许多会游
弋到你身边。忽略它们，它们就会越来越
越弱。你关注的东西会变得更强大。用
思想创造美，你的生活将变得壮丽多彩。

You Are The Creators Of What Unfolds.
你们创造了正在展开的一切。

EN EEKE MAI EA! 恩溢满爱!

I Love You So! 我如此爱你!
