尼奥 ~ 关于金星

波士顿老钉译，2022 年 12 月 16 日

Beloved Friends!

我挚爱的朋友们!

As You Move And Live And Have
Your Being Within The Spirit Of God,
Realize That Life Exists With You On
Earth And On Other Stars And
Trillions Of Galaxies.

当你带着上帝的精神，动态地生活
并存在时，请意识到诸多生命和你

一起，不仅存在在地球上，也存在于其他星球以及数以万亿的星系中。

In These Moments We Will Discuss
Our Beloved Friends From Venus!

此刻，让我们讨论来自金星的亲爱朋友们！

Being A Magnificent Planet Near The
Sun In Our Beautiful Milky Way
Galaxy, It Is Almost As Large As
Earth!

在我们的壮丽银河系中，金星是靠近太阳的一颗伟大的行星，它几乎和地球一样大小。

There Are Many Similarities And
Many Differences As The Miles
Stretch Between Each Group And
Race!

随着各个群体和种族之间的距离
增大，他们之间有诸多相似之处，
也有许多不同。

This Race Calls Themselves BENOKS
From The Planet Venus Or BENOK.
这个种族自称为比诺克斯人，来自
金星，亦即比诺克斯星球。

BENOKS Are Loving And Kind.
There Is Duality But No War. There

Is Compromise With Discussions But
Many View Life In Oneness And
Their Influence Is Great Among The
Masses In Influence.

比诺克斯人充满爱意，心地善良。
虽然有二元性，但没有战争。他们
有争论，也会妥协，很多人用合一
的心态对待生活，在众多颇具影响
力的群体中，他们尤为突出。

There Are Leaders Much Like Elders
That Have Great Wisdom And Respect.
These Are Known As Galactic
Commanders And They Travel And
Meet With Other Races. They Are Not
Members Of The Galactic Federation

But They Do Meet Frequently For Great Discussions.

比诺克斯人的首领们颇具长老风范，他们智慧超群，备受尊重。他们是知名的银河指挥官，他们四处出行并和其他种族会面。虽不是银河联盟成员，但他们经常会面，讨论重大事情。

BENOKS Look Very Human In Statue And Features. Their Skin Is Much Thicker And More Of A Reddish Tan. Being Close To The Sun, This Manner Of Skin Is Protective. They Have Short Thick White Hair And Wear Little Clothing. They Are Often Nude

But Wear Shorts And Wraps As Casual Wear. They Dress For Occasions In Long Pants, Capes And Robes.

他们的身材和特征看起来很像人类。他们的皮肤厚实得多，并且更偏向褐红色。这种皮肤对于邻近太阳的比诺克斯人极具保护作用。他们有着短小浓密的白发，衣着很少，常常赤身裸体，但穿着短裤，并随意地裹着围巾。在正式场合，他们会穿长裤、披斗篷、裹长袍。

They Procreate And Have Many Children That Are Playful And Creative. They Play Games And

Climb Mountains In The Area. There Is Plenty Of Water And Vegetables That You Might Consider To Be Hard And Tasteless. Their Teeth Are Razor Sharp And They Eat Produce Directly From The Ground. There Are Mates And Family Units.

他们繁衍后代，有许多既爱玩又有创造力的孩子。他们在这些地方纵情游戏，攀登山岳。这里水源丰沛，菜蔬充足，这些蔬菜让你们尝的话，可能会硬而无味。他们有着刀锋般锋利的牙齿，直接从地里挖出东西来吃。他们有配偶，也有家庭。

There Are Flowers And Trees And

Oceans That Are Bright Yellow And Very Warm. There Are Tall Structures With Many Floors That Families Call Home. Each Is Separate With Golden Stairways. Soft Cushions And Open Sides Of The Structure Are Popular. Many Of These Structures Are Created In Miles Between Mountains. They Continue Around The Entire Planet. Animals Are Gentle And Very Large. There Are Tigers, Bears, Leopards And Many Of The Same In The Pleiades And All Of The Many Races We Have Shared.

这里花香遍地，树木成荫，温暖的海洋泛着亮黄色的光。他们有多层

的高大建筑，并称之为家。层与层之间是独立的，有金色的楼梯相连。开放式四壁带柔软坐垫是流行匹配。许多这样的结构建在山脉之间，绵延数英里，围绕整个星球连成一片。这里的动物很温和，而且体型庞大，有老虎、熊、豹子，还有许多和昴宿星团相同的动物，我们在此曾经和您分享过。

Fairies Live Here And Enjoy The Peaceful Nature Of BENOKS. They Enter Mountains And Create Tiny Pools And Places To Make Toys. They Fly Through The Area With Great Joy!

仙女们在这里生活，享受着比诺克斯平静的大自然。她们会到山里，找些地方筑起小水池来制作玩具。他们怀着无比的喜悦在此地区飞掠。

As Earth Shifts To Sheen, This Loving Race Will Be Part Of The Celebration. They Love Earth Very Much!

当地球扬升到辛的时候，这个可爱的种族将参加庆典活动。他们极度热爱地球！

There Have Been Incarnations From All Planets And Stars We Have Taught About But Very Few. The

Primary Plan Has Always Been Incarnations To Earth. BENOKS Are Far Advanced In Technology Than Earth. This Has To Do With Their Ability To Advance Without War And Destruction. Like Pleiadian Souls And All Others, There Is No Death.

除了少数几个之外，我们所教导的所有行星、恒星，都有灵魂在此化身。但主要计划一直是到地球投身为人。比诺克斯人在技术上远比地球人先进得多。**这和他们没有被战争破坏，更能快速进化有关。**像昴宿星人以及所有其它种族的灵魂一样，他们没有死亡。

They Have Always Been Aware Of Earth And Sent Great Teachers To Meet With Leaders To Share The Importance Of Spirit And Oneness. One Such Visitor Is Commander Valiant Thor. He Met With President Dwight Eisenhower And Vice President Richard Nixon In An Effort To Stop Wars And Continual Harm To Humans.

他们一直知道地球，并派遣伟大的导师前来与领导人会面，分享灵性合一的重要性。指挥官瓦连特·托尔就是这样一位访客。他会见了德怀特·艾森豪威尔总统和理查德·尼克松副总统，努力阻止战争对人类

的持续伤害。

As A Galactic Commander, He Operates A Large Craft That Would Be Similar To A Large Pleiadian Craft, But Not As Large As A Mothership. It Can Be Invisible Or Transparent. It Can Remain Stationary In Deep Space And Pick Up Occupants From Other Crafts To Attend Meetings.

作为银河指挥官，他操作一艘大型飞船，与大型昴宿者飞船很相似，但不如母舰那么大。它可以隐身，即变得透明。它能够在太空深处保持静止，并从其他飞船上接人去参加会议。

There Are A Vast Number Of These Crafts That Are Near The Earth's Surface Or Just Below. There Are White Hats That Visit Regularly For Meetings And Many Are Close Friends With Pleadians That Walk The Earth.

在地表靠近或者地下浅表，有大量这样的飞船。一些白帽子定期来参加会议，他们中许多人和地球表面的昴宿星人是亲密朋友。

Commander Valiant Thor Is Honored On BENOK. There Are Statues And Paintings In Many Homes. He Is A

Great Leader Of Peace And Will Be Honored In Sheen. His Influence For Striving To Bring Holistic Methods Of Treatment To Earth Will Be Noted.

瓦连特·托尔司令在比诺克斯星球备受尊敬。许多家庭都有他的雕像和画像。他是一位伟大的和平领袖，将会在辛受到赞誉。他运用自己的影响力，鞠躬尽瘁为地球带来整体疗法的努力将被铭记。

BENOKS Always Send Frequencies Of Love To Earth With The Highest Intentions Of Advancement And Great Peace!

比诺克斯人总是带着伟大和平与

进步的最高意图，向地球发送爱的频率。

In Love We Rise As One!

让我们作为一体在爱中崛起!

EN EEKE MAI EA!

恩-意-满-爱！

I Love You So!

我是如此爱你！
