AKATU ~ The Goddess Of Light

Beloved Friends Of Earth!

All Creation Is Part Of The One Creator Of Light!

In These Moments We Share With You About The Life Of Goddesses
In The Higher Realms!

We Will Share Specifically About The Goddesses From The Races
We Speak About Often With Great Love!

These Races Are Pleiadian, Arcturian, Sirian, Andromedans And
Orions. The Names Are Shared In The Language You Understand
As You Know In Truth That Tones Must Be Transmuted In Sound
And Frequency.

All Of These Star Systems Have Multiple Goddesses. Only Taygeta
Of The Pleiades Has One.

When A Young Female Is Learning And Growing, She Will Carry A
Certain Vibrational Frequency That Resonates Within Her Body.
Her Parents Are Aware Of This Frequency And As She Grows Older
There Are Discussions With Her About Her Future. As She Becomes
A Young Adult, Her Frequency Is Felt By All In Her Presence.

There Are Elaborate Ceremonies And Celebrations To Honor A New
Goddess. This Is A Sacred Service To The Light Of Creation. It Is A
Very Happy Occasion For Each Goddess And Her Inner Being Is
Completely Filled With Peace And Love. She Will Always Be A
Goddess And Nothing Can Take This Honor From Her.

She Travels Throughout The Multiverses To Serve The Light With
Speaking Engagements Regarding Peace For All Beings. Her
Presence At Each Meeting Carries A Frequency Of Such Love And
Compassion That Those Living In Duality Are Often Changed
Within. This Is Her Drive And Motivation To Allow Others To Feel
What Peace Can Be.

Her Gowns Are Long And Flowing As She Wears Robes And Crystals
To Speak Words Of Kindness And Unity. When She Has Become
Officially A Goddess In Ceremony, A Group Of Fairies Choose Her
To Be With Forever. They Remain With Her In All Travels And In Her
Life Of Origin With Her Mate And Children. When She Incarnates,
They Arrive With Her And Although Unseen In Most Waking
Dreams, They Are Highly Protective Of Her. Some Goddesses See
And Interact With Their Fairies While Incarnated.

A Goddess Travels To Speaking Engagements In Her Own Craft,
With Other Goddesses Or With Her Family Of Origin. Her Mate
Often Stands With Her As She Speaks. Her Knowledge Of
Technology And Areas Of The Cosmos Are Very Great And She Is
Safe In Her Choices Of Travel. Many Goddesses Have Beloved Pets
That Travel With Them. Some Have Very Large Tigers Or Lions That
Cuddle And Rest Comfortably In Large Beds Within The Craft.

The Grand Shift To SHEEN Will Have Music, Dancing And Honoring
Of Many That Have Served The Light! Goddesses, Ambassadors
And Many Others Will Have A Moment Of Recognition For Such
Sacred Service!

Many Serve The Light With Certain Titles. But Know In Truth That
All Souls In The Higher Realms Commune With The Presence Of
God, Source, Prime Creator, Elako And The Name You Understand
The ONE To Be In Name.

You Are Souls Of God. You Carry The Light!

You ARE The Light That Lives Infinitely!

Goddesses Of Light Remind You Of Your Divinity And Purpose To
Love As ONE.

In Light We Remain!

EN EEKE MAI EA!
I Love You So!

阿卡图 ~ 光之女神

老钉译, 2022年12月2日

亲爱的地球朋友们!

所有的创造都是光之创世者的一部分!

在这些时刻, 让我们与你分享关于在高维度中女神的生活! 我们将特别分享我们经常
带着大爱谈到的种族中的女神。

这些种族是昴宿星人, 大角星人, 天狼星人, 仙女星人和猎户座星人, 这些名字是用
你所理解的语言分享的, 因为你知道在事实中, 音调必须在声音和频率上进行转换。

所有这些星系都有多个女神, 但昴宿星团的泰格塔只有一位。

当一个年轻的女性在学习和成长时, 她会携带某种振动频率, 在她的身体里产生共
鸣。她的父母意识到了这个频率, 随着她年龄的增长, 他们会与她讨论她的未来。当
她成为一个年轻的成年人时, 她的频率会被所有在场的人感受到。

有精心设计的仪式和庆祝活动来致敬一位新的女神。这是对创造之光的神圣服务。对
每个女神来说, 这是一个非常幸福的时刻, 她的内心完全被和平和爱所充满。她将永
远是一个女神, 没有什么能从她身上夺走这一荣誉。

她走遍了整个宇宙, 为光明服务, 为所有生命的和平进行演讲。她在每个会议上都带
着一种爱和慈悲的频率, 那些生活在二元性中的人往往会被改变内心。这是她让别人
感受到什么是和平的动力和动机。

她穿着饰有水晶的长袍, 说着仁慈和团结的话语, 礼服长而飘逸。当她在仪式上成为
正式的女神时, 一群仙女选择了她并永远伴随。她们在她所有的旅行中, 以及在她与
配偶和孩子们的原生生活中, 都与她在一起。她们与她一起化身, 虽然在大多数清醒
的梦中看不到, 但她们对她有强力保护。有些女神在化身时能看到她们的仙女并与之
互动。

女神乘坐自己的飞船, 与其他女神或她的原生家庭一起旅行, 参加演讲活动。她的配
偶经常在她演讲时站在她身边。她对技术和宇宙领域的知识非常丰富, 她在所选择的
旅行中也很安全。许多女神都带着自己心爱的宠物一起旅行。有些人有非常大的老虎
或狮子, 它们在飞船内的大床上舒适地拥抱和休息。

到辛(SHEEN)的大转变, 将有音乐、舞蹈和对许多为光明服务的人的敬意! 女神、
大使和其他许多人都会有一个认可这种神圣服务的时刻。

许多人以某些头衔为光明服务。但要知道, 在更高的维度中, 所有的灵魂都与上帝、
源头、终极创造者、艾拉科和你所理解的“一”的名字交流。

你们是上帝的灵魂。你们带着光!

你们是不朽的生活之光!

光之女神提醒你的神性, 和大爱合一的目的。

在光中, 我们永远存在。

en eeke mai ea!

我是如此爱你!
