

LAKA ~ The Ultimate Duality Of
OSOH

拉卡 ~ 奥叟的终极二元性

(老钉译, 2025 年 4 月 11 日)

Beloved Friends Of Earth! 亲爱的
地球朋友们!

We Hear You! We Love You! There Is A Very Temporary Story Playing Out That Involves Your Egoic Construct As Well As The Soul Of Your Origin. There Are Stars That Are Far Less Aware Of Spirit And Light. We Encourage You To Continue Your Journey Now As Truth Seekers. This Communication Will Be Helpful To Some And A Catalyst For Others To Awaken Further To Truth.

我们听得见你们说话！我们爱你们！正在上演的非常短暂的故事，涉及到你们的小我建构和灵魂起源。有一些恒星对精神之光不甚明了。我们鼓励你们，作为真理的探索者，

继续你们的旅程。本次交流会对一些人有所帮助，同时也是进一步唤醒另一些人的真理催化剂。

On A Star Outside Of The Milky Way,
Souls Of Conflict Rage On By Their
Own Volition. It Is Not That These
Beings Have Not Heart Truth, But The
Moment Of Change Never Arrived.
For As You Know Well, All Change
Begins Within. But In These Moments,
The Beings Of This Message Will Be
Understood To Be Quite Confused.

在银河系外的一颗恒星上，灵魂们的自发冲突愈演愈烈。这些生命并非没有心怀真理，而是改变的时刻

未曾光顾。你们都知道，所有的改变都始于内在。但在此刻，我们懂得本文提到的这些生命，已经变得十分困惑。

The Name Of This Large Star Is Called OSOH. The Unhappy Souls Call Themselves OS. Created Billions Of Years Ago By The Infinite Expression Of Spirit, There Were No Boundaries. Free Will Allow Duality As The OS Developed And Expanded In Life. In Their Most Primitive Movement Of Being, There Was More Of A Calmness In Life. As Life Progressed And Material Gain

Was Present, Competition Grew And Conflict Arose.

这颗巨大恒星名叫奥叟（OSOH），它上面的痛苦灵魂们称自己为奥斯（OS）。数十亿年前，无限的精神表达创造了这颗没有约束的星球。奥斯人的生命不断发展壮大，在自由意志允许下实现了二元性。在他们存在的最原始时刻，生活反而更加平静。随着生命的发展和物质利益的出现，竞争与冲突也随之产生。

The OS Stand Five Feet Tall With No Hair. Their Skin Color Is Red And The Markings On Their Faces Would

Appear As Tattoos To Those On Earth. These Represent The Constellations Of Stars Seen Above. All Infants And Children Are Permanently Covered With Drawings In Black With Markings Depicting Stars Present But Unknown. It Was Believed By The Evil Rulers That One Day All Stars Would Be Conquered And Controlled. This Never Happened But The Custom Of Markings Remains Present.

奥斯人身高五英尺，不长头发，红皮肤，脸上的标记在地球人看来，就像是纹身。这些图案代表了头顶上的星座。所有婴幼儿身上，都永

久覆盖着黑色图案，描绘的是看得见却不了解的群星。邪恶的统治者认为，总有一天所有的星星都会被征服和控制。虽然这从未发生，但标记的习俗一直延续至今。

The OS Live Approximately Two Hundred Years. They Incarnate Back Into Their Own Race. There Are Small Animals That Resemble Cats And Horses. These Are Covered With Yellow Fur. They Are Not Pets But Instead Roam The Land And Consume Sticky Plants That Are See Everywhere.

奥斯人大概可以活到 200 岁。然后他们化身回自己种族。他们有一些像猫像马，浑身長满黄毛的小动物。这些不是宠物，而是在这片土地上游荡的动物，以随处可见的粘性植物为食。

Children Grow Quickly In Size With Responsibility That Is Forced Upon Them. Factories And Areas Of Hard Labor Are Common With All Families. No One Owns Anything And Yet Their Work Is Endless. Rulers Are Dark And Controlling And Anyone Speaking Against The Establishment Is Banned From Society.

There Are Structures With Bars That
Serve As Prisons. These Are Built In
Locations For Others To See And
Live In Fear By Control.

孩子们成长飞快，但却要肩负强加给他们的责任。所有家庭都能看到工厂和苦力区。没有人拥有任何东西，但他们的劳作却无休无止。统治者非常黑暗，且有强烈控制欲，任何人反对当权者的话，都会被禁止进入社会。一些带栅栏的建筑就是监狱，它们建在人们可以看到的地方，让人生活在恐惧之中，一切只为操控。

Homes Are Complexes That Have Many Floors. Rulers Have Control Over Food Consumption As Well As Amounts And Frequency Of Eating. Boxes And Crates Are Delivered To The Complexes. Fighting Over The Parcels Delivered Are Common And Many Are Injured Or Perish With This Conflict.

住宅是有许多楼层的建筑群。统治者可以控制食物的消费，以及进食的数量和频次。箱子、板条箱等等被递送到建筑群。为争夺包裹而发生打斗是常有的事，许多人因此受伤乃至丧命。

Clothing Is Minimal And Worn Over A Long Period Of Time. Shorts, Tunics And Simple Designs Are Delivered By Those That Rule. Anger And Hostility Is Felt Among The OS. They Question Their Lives Continually. Many Have Heard Stories Of Visitors In Long Ago Lifetimes. A Longing For Something Better Seems Out Of Reach.

人们衣着很少，而且穿很长时间。统治者提供的是短裤、长衫和简单设计的衣物。奥斯人大都满腔愤怒，满怀敌意。他们不断地质疑自己的生活。许多人听说过很久以前的来

访者故事。他们对更好生活的渴望似乎遥不可及。

Some Of These Beings Of Despair, Stare At The Stars Drawn On The Faces Before Them. Most Have Given Up Hope That They Could Ever Travel To Another Star. None Have Vehicles And Flight Is Impossible In Their Life Of Hardships. But They Are Unaware Of The Assistance That Will Change Everything.

有些人带着绝望，瞪着眼前面孔上绘画的星星。大多数人已经放弃了去其它星球旅行的希望。没人有交通工具，也不可能飞行，生活充满

艰辛。但是，他们并不知道，有人将会帮助他们改变一切。

This Star Called OSOH Has Always Been Observed By Pleiadians. Many Light Beings And Angels Have Arrived To Guide Animals To Sustenance And To Save Children And Adults From Landslides And Drownings. There Are Oceans And Mountains Throughout The Star. Many Of The OS Have Ventured Out To Escape Their Misery.

这颗被称为奥叟的恒星，一直处在昴宿星人的观察之下。许多光之生

命和天使来到这里，引导动物们寻找食物，拯救山体滑坡和溺水中的儿童和成人。整个星球布满海洋和山脉，许多奥斯人为了逃避痛苦，都已出去探险。

Some Of These Have Been Assisted By The Light That Is Always Serving. Light Will Connect To Light With Spirit. But Free Will Allows The Manner Of Life. The Shift To Sheen Is The Beginning Of Freedom For So Many Living In Desolation.

其中一些人得到了一直在服务的光的帮助。光会以精神连接光。但自由意志允许生命的不同方式。对

许多生活在荒凉中的人来说，向希恩的转变是自由的开始。

There Will Be A Great Moment Of Upgrading For The OS Of Such Confusion. The Galactic Federation Is Close With Motherships And Abilities Unlimited. These Souls Will Be Upgraded To Light With Crystal Hearts. They Will Be Free And The Clarity Of Existence Will Bring Love Never Known.

对于处在如此混沌中的奥斯人来说，将有一个伟大的升级时刻。银河联邦携带母舰和无限能力，正在接近。这些灵魂将被升级为水晶心

脏循环光。他们将获得自由，对存在的明晰将带来前所未有的爱。

The Only Real Peace Is Within Each Soul. On Earth, Everything Has Always Been Present To Discover. There Are Many Dark Forces In Active Play Now. They Wish To Rule Over You As They Spew Empty Promises. Be Strong And Vigilant. For You Carry The Power Of Light Within. You Are Free. Never Allow Another To Diminish Your Light!

唯一真正的平静，就在每个灵魂之内。在地球上，一切都有待探索。许多黑暗势力，当下正在活跃。他

们希望以空洞的诺言统治你们。坚强起来，并保持警觉。因为你们内在携带着光的力量。你是自由的。永远不要让别人减弱你的光！

EN EEKE MAI EA! 恩溢满爱！

I Love You So! 我如此爱你！
