Beloved Friends Of Earth! 亲爱的  
地球朋友们!

Let's Explore A Star Called DAS That Is Suspended In A Frequency Of Light Among Many Stars That Live In Duality. Just Beyond The Perimeters Of The Milky Way Galaxy, This Star Of Beauty Thrives With Souls Of Light. They Call Themselves DRAS And Their Inner Beauty Matches The Beauty Of Their Bodies.

让我们前去探索一颗名叫达斯

(DAS) 的恒星，它和许多生活在二元性中的恒星一起，悬浮在光的频率中。就在银河系外围不远，这颗美丽星球与光之灵魂一起茁壮成长。他们称自己是达拉斯人

(DRAS) ， 是个内在与外在皆完美的种族。

They Circulate Light With Crystal Hearts. But This Was Not Always Their Experience. We Will Share Of Their Beginning And The Progression To Perfection. With Free Will, The DRAS Had To Discover This On Their Own Journey.

他们的心脏是水晶的，里面循环着光。但他们并非历来如此。我们将给大家介绍他们的起步和走向完美的过程。有着自由意志的达拉斯人，得在自己的旅途中自己去发现。

The DRAS Stand Five Feet Tall With Light Tan Skin And Long Golden Brown Hair. Their Eyes Are Pale Lavender. Their Facial Features Are Similar To What Is Seen On Earth. They Thrive In Upgraded Bodies From The Galactic Federation. They Experience Great Joy With Perfect Health And Wellbeing. Their Endeavors Of Serving The Light Have Expanded To Include Junior Members Of The Light Forces, Ambassadors And Expressions Of Soul That Are Unlimited.

达拉斯人身高五英尺，有着浅棕色的皮肤和金棕色的长发，眼睛呈淡

淡的薰衣草色，面部特征与在地球上看到的相似。他们在被银河联邦升级后的身体里繁茂成长。他们体验着完美健康和福祉带来的极致快乐。他们为光服务的努力，已经扩展到包括成为光之力量的初级成员、大使和无限的灵魂表达。

The DRAS Enjoy Families With Many Children. Animals Are Peaceful With Upgraded Bodies. Before The Gift Of Light Prevailed On DAS, Lifespans Were Forty To Sixty Years. These Souls Chose To Incarnate Back Into Their Own Race. For Millions Of Years They Toiled And Struggled

With Duality. Their Demeanor Had Grown To Be Despondent As They Searched For The Meaning Of Life.

达拉斯人喜欢多子多孙的家庭。拥有了升级版身体的动物们，显得非常平和。在光之礼物降临到达拉斯人之前，他们的寿命为 40-60 岁。这些灵魂选择回到自己的种族化身。数百万年来，他们在二元性中苦苦挣扎。在寻找生命意义的过程中，达拉斯人的心态渐渐变得绝望。

It Was Elder Minoee From Atlas That Visited On A Mission With The Galactic Federation. His Compassion Led Him To Offer Upgrades That

Would Alter The Lives Of Those In Turmoil And Give Them Hope With Infinite Life. He Explained That Light Brings Peace And This Race Was Ready For The Changes Offered. He Brought Families Together With Joy With The Magnificent Upgrades Received.

是阿特拉斯星球的米诺伊长老，随银河联邦一起执行任务时到此一游。同情心促使他提供升级服务，以改变那些生活在动荡中的人们，并给他们带来不朽生命的希望。他解释说，光能带来安宁，这个种族已经准备好接受提供的改变。他用伟大的升级带来了阖家欢乐。

The DRAS Gathered As News Went Forth In All Directions. More Friends From The Galactic Federation Arrived In Motherships. Together They Stretched Their Hands Forward And Emitted Light And Frequencies That Touched The Bodies Of Those Before Them. Animals Gathered And Became Peaceful With The Touch Of Light.

消息传向四面八方，达拉斯人聚拢而来。银河联邦来了更多乘母舰抵达的朋友。他们一起向前伸出双手，发出的光和频率覆盖了面前这些

人的身体。动物们成群地接受光的沐浴，而变得安详。

As New Expressions Of Creativity Were Ignited, Crystal Homes Were Designed And Enjoyed. Pleiadians Visited And Brought Crystal Instruments. There Was Dancing And Singing As Everyone Celebrated Life. 人们崭新的创造力被点燃了，他们设计了水晶家园，并极度享受。昴宿星人来访并带来了水晶乐器。大家载歌载舞，庆祝生命。

New Members Wore Blue Uniforms With Silver Boots As They Joined The

Powerful Galactic Federation. They Were Grateful And Their Dedication And Loyalty Has Increased The Numbers That Have Joined From DAS. They Will Achieve The Rank Of Full Fledged Leaders With A Ceremony Of Honor That Will Be Soon.

新成员身着蓝色制服，脚蹬银色长靴，加入了强大的银河联盟。他们心怀感恩，由于奉献和忠诚，从达斯星球来加入的人数也增加了。他们将在不久之后举行的荣誉仪式上，成为正式的各级领导人。

Meals Are Shared And Art Is Enjoyed. The Souls Of DAS Enjoy Swimming

In Turquoise Water. They Hike Pink And Yellow Mountains And Play Games With Their Children. They Have Arrived In A Frequency Of Infinite Light. The Earth Is Quickly Moving To This Place Of Serenity And Peace.

达斯人共享美食，齐赏艺术。人们喜欢在碧绿的水中畅游。他们徒步攀登粉黄色的山峰，与孩子们一起游戏。他们终于来到了无限光的频率中。地球，现在正飞快地朝这个宁静祥和的地方移动。

The DRAS Are Very Aware Of Earth And The Challenges That Are Faced

In Duality. You Will Meet These  
Beloved Souls As Sheen Becomes  
Your Home.

达拉斯人非常了解地球，及其在二元性里所面临的挑战。当你们到达希恩家园的时候，将与这些挚爱的灵魂见面。
