

AKATU ~ Animal Incarnations

阿卡图 ~ 动物转世

(老钉译, 2025 年 5 月 29 日)

Friends Of The Great Planet Earth!  
伟大行星地球的朋友们!

As Many Of You Have Learned,  
Loving Self Is Paramount To Loving  
Others. With The Expression Of Love  
To All Life, A Frequency Of Healing  
Is Offered To The Earth That Serves  
Everyone. Nature And All  
Animals Thrive According To The  
Choices Of Mankind. Understanding  
That Animals Are Souls And Also On  
A Sacred Journey Will Allow Wisdom  
With All Decisions Regarding Their  
Well Being.

正如你们许多人所知道的，爱自己  
远比爱他人重要。向所有生命示爱，  
地球就能收到一种疗愈频率去惠  
及所有人。自然与所有动物的繁荣

取决于人类的选择。懂得动物们也是灵魂，也在神圣的旅途上，将让我们智慧地做出涉及它们福祉的所有决定。

Many Pets That Have Been Enjoyed Throughout Each Waking Dream Are Also Known To The Soul Of Origin. Tigers Can Become Cats Or Beautiful Birds On Earth. Dragons Can Become Dogs That Are Cherished. Animals Are Intelligent And Carry The Light Within Their Soul. Incarnating To Be With You Expresses Unconditional Love.

纵贯每一个清醒梦，许多挚爱的宠物，也是在起源为灵魂所熟知的。老虎可以变成地球上的猫，或者美丽的鸟。龙可以变成珍贵的狗。动物是聪明的，它们的灵魂里携带光。为了和你在一起而化身，表达了它们无条件的爱。

All Animals On Earth Have The Innate Power To Incarnate Many Times If Desired. Whether The Origin Was Earth Native Or From The Higher Realms Of Light, This Action Remains For All Animals. Earth Native Souls Of Animals Have Continued To Reproduce And Become

Families With Other Animals Of Earth  
Native Descent Or Animal Souls From  
Elohim Stars.

地球上所有动物都拥有与生俱来的力量，它们如果愿意的话可以多次转世。无论是源自地球本土，还是来自光之高维，所有动物都保留着这一行为。地球本土的动物灵魂，一直繁衍不息，并与其它地球本土动物或来自耶洛因星球的动物灵魂组成家庭。

There Are So Many Types Of  
Creatures And Lifeforms. All That  
Exists Is Spirit, Energy And  
Consciousness. All Souls Are Spirit.

But Not All Spirit Is Expressed As A Soul. Understanding There Is Only One Infinite Spirit With Unlimited Expression Will Allow A Feeling Of Oneness.

生物的生命形态是如此多样。一切存在的本质是精神、能量与意识。所有灵魂皆为精神。但并非所有精神都以灵魂的形式表达出来。懂得只有唯一的无限精神，可以有无限的表达形式，会带来合一的感受。

Dolphins And Many Large Sea Creatures Have Souls And Very High Vibrations. In Very Rare Instances, Pleiadian Souls Have Desired The

Experience Of A Dolphin And  
Incarnated In This Body Form.

海豚和许多大型海洋生物，有着灵魂和极高的振动频率。在极少数情况下，昴宿星人灵魂渴望体验海豚的生活，并以这种身体形式转世。

Sharks And All Types Of Fish As  
Well As Reptiles Have A Small  
Amount Of Intelligence To Be Able  
To Thrive And Live. Turtles And  
Lizards Fall Into This Category. They  
Move To Safety, Camouflage And  
Recoil With The Threat Of Danger.  
They Do Not Incarnate But Rather  
Are Part Of Nature Throughout Earth.

Insects Do Not Incarnate But Many Actually Serve Purposes That Benefit Humans.

鲨鱼、各种鱼类以及爬行动物，具备少量生存和繁殖的智力。海龟和蜥蜴属于此类。它们会迁移至安全区域，伪装自己，并躲避危险。它们不转世，而是作为自然的一部分存在于地球上。昆虫不转世，但许多昆虫实际上对人类有益。

Ladybugs And Even The Annoying Flies Balance The Ecosystem Which Helps Plants To Grow And Replenish The Earth. The Honeybee Has Delivered Their Product That Assists

In Healing The Body. But There Is No Soul Within, Therefore Each Life Ends And Returns To The Essence Of Spirit.

瓢虫，甚至令人讨厌的苍蝇，都平衡着生态系统，有助于植物生长和地球的更新。蜜蜂提供了有助于治愈身体的产品。但其中没有灵魂，因此，每个生命结束时都会回归精神本质。

In The Higher Realms, Large Colorful Birds That Traverse The Land Singing Are Enjoyed Immensely. Some Have Enormous Wingspans With Shimmering Colors. They Love And

They Feel With Their Expression Of Soul. On Earth Many Arrive In Various Bodies Around The Earth In Incarnations.

在高维度，那些在陆地上翱翔并歌唱的色彩斑斓的大鸟备受喜爱。有些拥有巨大的翼展和闪光的色彩。它们用灵魂的表达去爱与感受。在地球上，许多灵魂以各种形态投胎转世。

All Birds Seen On Earth Have Souls And Have Returned In Service Since The Beginning. There Is No Consumption Of Birds Or Animals In The Higher Realms But It Is Totally

Acceptable To These Souls That Give  
Their Lives In Duality For Mankind.  
This Will End With The Shift To  
Sheen.

地球上所有可见的鸟类都有灵魂，  
并且，自创世以来它们都是返回来  
服务的。在高维度不存在对鸟类或  
动物的消耗，但这些灵魂甘愿在二  
元性中为人类奉献生命，此举完全  
被接受。这一状态将随着向辛地球  
的转变而终结。

Animals That Are Present On Earth  
In The Moment Of The Shift Will  
Receive Upgrades To Light. In One  
Moment, Everything Will Change.

Large Animals That Are Fearful And Attack From Years Of Conditioning Will Move Softly And Remain Calm. Many Will Recognize Souls They Have Lived With In Waking Dreams As Well As In Origin. They Will Be Gentle And Desire To Be Petted And Touched.

在转变时刻，存在于地球上的动物将获得光的升级。在一瞬间，一切都将发生改变。那些因长期条件反射而充满恐惧并攻击的大型动物，将温柔而平静地走动。许多动物将认出它们在清醒梦中，以及在起源时曾共同生活的灵魂。它们将变得温柔，渴望被抚爱和触摸。

The Earth Will Be Replenished And  
Restored Over Time. There Must Be  
Light To Survive And Thrive.

Pleiadians Will Assist Greatly With  
These Efforts. All Life Is Precious  
And Everything Has One Source.

随着时间的推移，地球将得到补充  
并复原。必须有光才能生存和繁荣。  
昴宿星人将大大协助这些努力。所有  
生命都是珍贵的，一切都只有一个  
源头。

EN EEKE MAI EA! 恩溢满爱！

I Love You So! 我如此爱你！

AKATU 阿卡图
