Friends Of Earth! 地球朋友们!

Your Very Reality Is Changing. You Are Being Bombarded With News That Holds Truth Or That Is Etched With Lies So Profound That Everyone Is Being Affected. We Have Shared Many Times That Knowing About What Is Unfolding Can Be Helpful With Choices To Be Made.

你们当下这个现实正在改变。新闻正在 对你们狂轰滥炸,它们既可以含有真相, 也可以充斥影响每个人的赤裸裸的谎言。

我们多次提到过,了解正在发生的事情有助于你们做出选择。

Each Person Is Dealing From Their Own Set Of Circumstances And Reactions. Understanding That You Have A Conditioned Response Will Allow You To Look More Closely And Realize That You Might Be A Bit Panicked For No Reason.

每一个人都在应对自己独特的一套处境

和反应。认识到都是在做出习惯性反应,你们便能更仔细地观察,并意识到自己可能无端地恐慌了。

Others Might Feel Relief With The Same News. Still Others Will Feel Anger And Betrayal. Stop Now. Be Still And Silent. You Are Safe!

同一则新闻,有些人可能会长舒一口气,而有些人却会愤怒不已,深感背叛。都停下来。保持安静与沉默。你们是安全

的!

This Brief Story On Earth That Seems

So Real, Is But A Moment In Your Infinite Life. NEIOH Spoke Well When He Reminded You To "Live Your Life And Not Let Your Life Live You". 这段简短的地球故事,不管它看起来如 何真实,都只不过是你们无限生命中的 一瞬间。尼奥提醒你们的话说得好极了, "过你的生活,而不要让生活过你"。

Indeed, You Are So Much More Than This Story. Make The Decision To Choose A New Response That Will Serve You Well. Know That Most Of What Affects Your Being Is An Automatic Conditioned Reaction.

确实,你们远远不止这个故事。决定吧,选择一种对你们大有裨益的新反应。须知,大多数影响你们存在的东西,都是自动的习惯性反应。

Be At Peace! 生活在平和中! Soon We Rise As One! 很快,我们将

一体崛起!
