

# AKATU ~ Animals Rescued In Bi-local Operations 阿卡图 ~ 双地行动中拯救的动 物

（老钉译，2025年8月8日）

Beloved Friends Of Earth! 亲爱的地球朋友们！

Your Planet Is Magnificent With  
Colorful Nature And Beautiful  
Animals. But Duality And The  
Lack Of Care And Nurturing Of  
Animals And The Sacred Land

Of Which Is Their Temporary Home With You Has Brought Great Suffering At Times. There Is A Balance Of Nature And Many Animals Give Their Lives To Maintain This Order. It Is Not The Way In The Higher Realms.

你们的星球，因缤纷的自然和美丽的动物而壮丽无比。然而，二元性以及对动物，对它们临时和你们暂居一处的圣地，缺乏关爱与呵护，不时会带来巨大苦难。自然界存在平衡，许多动物为维持这一秩序献出了生命。这不是高维度的运作方式。

Animals Are Sacred Souls. They Do Not Kill And They Are Never Harmed. We Love Our Animals So Deeply That They Long For Us As We Incarnate.

They Have The Power To Follow Us And They Often Show Up As Beloved Pets Throughout Many Waking Dreams.

动物是神圣灵魂。它们不杀戮，也从不受到伤害。我们对动物们的爱如此之深，以至于它们在我们去转世时会思念我们。它们能够跟随我们，经常以心爱的宠物身份出现在许多清醒梦中。

Animals On Earth Can Live In Treacherous Situations Where There Is Famine Or War. Bi-local Operations Are Always Busy With Rescues And Assistance To Wounded Humans As Well As Animals. Some Of These Animals That Are Saved In Great Peril Are Taken Back To The Higher Realms. They Receive Upgraded Bodies And Live On The Land

That Provides All Comfort And Great Love That Is Needed.

These Animals Will Never Die.

地球上的动物，可能生活在饥荒或战乱等危险环境中。双地行动始终忙于救援和协助受伤的人与动物。其中一些在极度危险中获救的动物，会被带回高维度。它们获得升级的身体，并生活在提供全面舒适与伟大之爱的土地上。这些动物将永远不会死亡。

Not All Animals On Earth Are From The Higher Realms. The Origin Might Be Earth Native As Well. But Animals Mate And The Cycle Of Life Continues.

The Original Soul That Arrives To Be With A Higher Being Might Produce Offspring That Is Not Directly From A Star. This Can Continue With Animals

Being Born But There Will Be  
A Soul That Began The Families  
That Would Become Many.

Animal Souls From The Higher  
Realms Are Often Mixed With  
Earth Native Animals As Well.

地球上的所有动物，并非都来自  
高维。它们的起源也可能是地球  
本土的。但动物会繁殖，生命周  
期持续进行。最初与高维存有一  
同前来的灵魂，其所生后代未必  
直接来自某颗星球。随着动物继  
续出生，这种情况会持续下去，  
但总会有一个灵魂会开启，直至  
繁衍到家族兴旺，儿孙满堂。来  
自高维的动物灵魂，也常常与地  
球本土动物混合。

Animals Are Sacred And Most  
Beloved To The Elohim Races.  
All Animals Are Pure Love  
Without Judgement. It Is

Unfortunate That Many Animals  
On Earth Have Been Caged Or  
Mistreated. Fear And Mistrust  
Developed And Survival Became  
A Threat As Food Was Lacking  
In Many Instances.

动物是神圣的，也是耶洛因种族  
的最爱。所有动物都不带任何评  
判，是纯粹的爱。遗憾的是，地  
球上许多动物被关在笼子里，或  
饱受虐待。由于在多种情况下的  
食物匮乏，动物滋生了恐惧与不  
信任，它们为了生存对人类造成  
了威胁。

Never Put A Pet In A Cage.  
Never Support A Zoo Where  
Animals Live In Cages And Are  
On Display. Never Chain An  
Animal In Any Way. Never  
Leave A Precious Dog Alone To  
Guard Buildings. Feed And Care

For Strays. See These Animals As Sacred Souls.

切忌将宠物关入笼中。永远不要光顾把动物关在笼子里或供人观赏的动物园。不要以任何方式拴住动物。切勿让珍贵的狗狗独自看守房厦。喂养、关爱流浪动物。将这些动物看作神圣的灵魂。

It Is With Humbleness And Deep Love That I Speak About Our Beloved Animal Souls.

我以谦卑与深沉的爱，谈完了我们挚爱的动物灵魂。

EN EEKE MAI EA! 恩、溢、满、  
爱！

I Love You So! 我如此爱你们！
