

AKATU ~ NDE 's and OBE 's

阿卡图 ~ 濒死和出体体验

卡柏发表于 2022 年 9 月 1 日

Beloved Friends Of Light!

亲爱的光之朋友们!

The Precision And Depth Of The
Sacred Soul Moving Through
Timelessness, Has Multiple Intervals
Of Perceived Time In A Body Of
Temporary Identity.

神圣的灵魂在永恒中移动具有精

确性和深刻度，在一个临时身份的身体里，它有多个感知到的时间间隔。

In These Moments On Earth Where Only Linear Time Is Perceived, We Go Deeper To Explain The Phenomenon Of NDE ' s Or Near Death Experiences And OBE ' s Or Out Of Body Experiences.

在地球上只有被感知的线性时间的此时此刻，我们来更深入地解释NDE即濒死体验，和OBE即出体体验的现象。

Indeed, There Is No Death! But

Explanations Are Pondered In
Religious Doctrine And In Science
Where Explanations Generally Do Not
Deal With The Soul. (Or Dancing,
For Those Waiting For Me To Mention
This! As AKATU, I Do Love To
Dance!)

的确，没有死亡！但在宗教教义和
科学中，对死亡的解释需要思考，
因为它们通常不涉及灵魂问题。(或
者跳舞吧，对于那些等我提到这一
点的人！我是阿卡图，我确实喜欢
跳舞！)

We Begin With NDE's As A Way
To Further Understand Expanded

Consciousness. When There Is An Accident Or Trauma To The Body And There Is A Fragile Balance Between Whether The Soul Remains Or Leaves, Know Fully That The Soul Is In Complete Control Unless The Body Has Become Totally Burned, Mutilated Or The Brain Is So Damaged That Life Cannot Continue. The Soul Feels No Pain That The Body Is Experiencing. The Soul Is Observing And Knows Fully If They Will Remain. If The Soul Chooses To Remain, There Is A Reason Greater Than Family And Friends Can Understand. There Are Further

Aspects Of Life That The Soul Desires To Repeat And Master As Perceptions From The View That Are Opposite Of Another Life Story. The Soul Understands The Body Is Not Permanent. This Could Be A Chosen Exit Point But Returning To The Identity In Form Is By Choice.

我们从濒死体验开始，以便进一步理解意识是如何扩展的。当身体发生事故或受到创伤，而灵魂对于去留难以决定时，须知除非身体被完全烧毁，残缺不全，或者大脑损坏到无法继续生命，灵魂是完全掌控一切的。灵魂不会感受到身体所经受的痛苦。灵魂在观察，并且完全

知道它是否要留下来。如果灵魂选择留下，便会有一个家人和朋友难以理解的理由。灵魂希望重复生命，以便从生命故事的相反角度，感知生命的更多方面。灵魂明白身体不是永久的。这可能是一个选择的退出点，但灵魂也可以选择返回到有形的身份。

The Interim Of Experiencing A Perception Is Allowed By The Soul That Is Specific To The Identity. Many Will Experience Seeing Their Body Without Pain, Floating In Clouds, Seeing Their Home Of Origin, Seeing Religious Beings If They Are

In Doctrine, Some See Fearful Aspects In An Attempt To Show Them True Duality And The Hard Choice Of Chaos. The List Is Endless But The Human Being Is Permanently Changed For The Better If The Choice Is To Remain In The Body. Even With A Long Recovery, There Are Many Positive Life Lessons.

体验一种感知的临时性，这是该身份所特有的灵魂可以允许的。许多人会经历，看见他们的身体没有疼痛地漂浮在云中，看到他们的家乡，如果相信教义的话还会看到宗教人士，有些人看到恐惧的一面，试图向他们展示真正的二元性和混

乱的艰难选择。这样的例子不胜枚举，但如果灵魂选择留在身体里，人就会发生永久性的，更好的改变。即使需要长期的恢复，也有许多积极的人生经验可以汲取。

Now We Will Discuss OBE's Or Out Of Body Experiences. These Also Occur In Expanded Consciousness. Knowing You Exist, Move, Live And Have Your Being In Consciousness Will Allow You To Feel Safe. There Is No Place To Exit And Not Remain In Consciousness. These Experiences Of Flying, Traveling In Astral Or Entering The Homes Of Neighbors As

They Sleep Can Be Overwhelming. Flying Above Treetops, Finding Yourself Outdoors While You Are Resting In Bed, Walking Through Brick Walls, Going Through Drain Pipes, Entering Spaces Between Blades Of Grass Is Very Real And The Experience Is Happening In Expanded Consciousness. This Is Not Your Imagination. Your Pinpoint Of Awareness With Identity Suddenly Allows Expansion With Full Viewing. Why? Because You Are Really There! 现在我们将讨论 OBE 即出体体验。这些也发生在扩展的意识中。知道你存在、走动、生活和活在意识中，

将使你感到安全。没有地方可以退出而不留在意识中。这些飞行、星界旅行或在邻居入睡时登堂入室的经历，可能会让人难以承受。在树顶上飞行，人躺在床上休息却发现自己身在户外，穿墙走壁，通过排水管，进入草叶之间的空间，这些体验都是非常真实的，而且是在扩展的意识中发生的。这不是你的想象。你带有身份的意识点突然允许扩展，并能看到全貌。为什么？因为你真的在那里。

Out Of Body Simply Means The
Consciousness Has Expanded Beyond
The Perimeters Of Your Awareness

In Identity. The Soul Has The Absolute Power To Access All Densities And Dimensions. This Is Your Natural State Of Being And This Will Return To All Souls.

出体仅仅意味着，意识已经扩展到了你的身份觉知的范围之外。灵魂有绝对的力量进入所有的密度和维度。这是你的自然存在状态，这将回归到所有灵魂。

We Are Souls That Have Arrived On Earth By Design And Purpose! So Many Wonderful Aspects Of Life Await You In Infinite Light! Love One Another And Be Grateful For The

Gift Of Life Each Moment!

我们是被设计好，带有目的来到地球的灵魂。生命里如此多的美妙方面在无限的光中等待着你。请互爱，并对每一刻的生命礼物心存感激。

SHADA VA WAOLA!

I AM AKATU!

光的祝福!

我是阿卡图!
