LAKA ~ On Transcending

Greetings Beloved Ones Of Light!

The Momentum Toward The Unification Of Starseeds Returning To The Higher Realms, Brings Joy Throughout The Cosmos. This Magnificence Is Well Underway As You Observe The Changes On The Planet!

The Force Of This Momentum Is The Truth Of Life Itself And Cannot Be Impeded.

For The Power Of Light Is Quite Literally Unstoppable, Showing All Life The Capability To Manifest Fully And Continue Creation Infinitely!

This Vibrational Essence Is Every Conceivable Expression Of Life! You Are Truly Part Of This Expression Of Light!

There Are Variables For Each Being To Experience As We Move Closer To The Shift. These Are The Result Of The Individual Choice Each Makes By Free Will.

What Is Optional Are The Exquisite Heights Of Joy To Which Those Aligned With Their Soul Intention Are Destined To Travel. What Is Optional Are The Traumas That Will Be Co-Created And Experienced By Those Whose Choices Reflect Their Embodiment Of Separation From The Momentum. What Is Optional Is The Sense Of Confusion Of Those Who Are Marginally Aware Of The Reality Of Their Ability To Make A Difference In These Final Moments Of This Waking Dream.

Life Is Moving Forward, Dancing With The Wind, And Harmonizing With The Joy In The Newborn Breath Of Every Life Form On The Planet.

This Is The Dance Of Creation That Beckons To You In These Times To Open Your Heart And Remember!

This Is The Reality That You Are Capable Of Manifesting At This Crossroads Of Time And Space That You Perceive As Your World.

The Moment Of Transcending All You Thought To Be True, Will Fill You With Enough Light To Illuminate The Earth!

And This Is The Only Moment That Will Take You The Full Distance And Deliver You Directly To Your Destination.

This Moment.

Meditate And Feel This Moment!

Feel The Beauty Of Your Home, Now!

In Love We Rise As One!

LAKA~关于超越

问候亲爱的光之子们!

星际种子统一回归到更高维度的势头，给整个宇宙带来了欢乐。当你观察到地球上的变化时，这种壮观的景象正在顺利进行中!

这种势头的力量是生命本身的真理，是无法阻挡的。

因为光的力量是不可阻挡的，它向所有生命展示了充分显化和继续无限创造的能力。

这种振动的本质是每一个可以想象的生命表现形式! 你是这个光的表现形式的真正一部分!

在我们接近转变的过程中，每个人都会经历一些变数。这些都是每个人通过自由意志做出的个人选择的结果。

可选择的，是那些与他们的灵魂意图相一致的人，注定要去体验的精致的快乐高度。可以选择的，是那些选择与此动量分离的人，将共同创造和经历的创伤。可选择的，是那些在这个梦醒时分的最后时刻，对自己能否有所作为的现实，只有些许认识的人的迷茫。

生命在前进，与风共舞，并与地球上每个生命体的新生呼吸中的喜悦相协调。

这是创造的舞蹈，在这个时代向你招手，让你敞开心扉并记住!

这就是你在这个你认为你的世界的时空交口所能显化的现实。

此刻，超越所有你认为是真实的东西，将使你充满足够的光，照亮地球!

而这是唯一能带你走完全程，并将你直接送达目的地的时刻。

这一刻。

冥想吧，去感受这一刻!

感受你的家园之美，就在此刻!

在爱中，我们一体而崛起!

en eeke mai ea!  
我如此爱你!
