

## 卡柏 ~ 黎明前的黑暗

（老钉译，2025 年 1 月 1 日）

我花了很多时间，向人们讲述随扬升而来的美好事物。好东西如此之多，以至于很多人指责我散布一场空欢喜。

我说的这些，没有一件是虚构的，越来越多的人正在觉醒，理解到这一真相。

但是，有时必需在好消息和有关黑暗势力的重要信息之间做好平衡。

我需要分享的，既不是恐惧，也不是评判，而是用来保护你们自己的实用信息。

昴宿星人一直在说，就在扬升前的时刻，一切都将变得最黑暗。他们所有的灵性教导，都是为了让我们的做好准备。这就是“穿上上帝盔甲”的真正含义。

让我担忧的是，有些人认为邪恶已经被打败

了，我们离扬升的日子屈指可数，或者白帽子在宣布“演戏”结束。

许多人已经开始表达绝望和无助。我认为社交媒体和不断重复的负面媒体难逃其责。

许多真相探索者认为，知道自己是如何被骗和受害，能让他们更加“觉醒”，但这往往是阻碍他们提高振动和灵性觉知的原因。

有好一阵子了，我一直在说，相信一旦特朗普重返白宫，黑暗势力就会撕下岁月静好的伪装，放手一搏。这将是他们的最后一线生机。

特朗普提到的“光覆盖了地球”，以及伊凯长老提供的下载，都在让我们为即将发生的事情做好准备。

## CERN 欧洲核子研究中心

我们之前讨论过欧洲核子研究中心（大型强子对撞机）的隐藏目的，是打开通往黑暗维

度的门户，让负面实体通过星体层进入我们的世界。

这些实体会以不明显的方式影响人类，但人们会体验到冲突、抑郁、愤怒、恐惧等。这是精神战争，我们只要意识到，就能保护自己。

## Dark Plans 黑暗计划

昴宿星人透露，在一些秘密的地点正在举行私人祭祀，撒旦精英们正在打开门户，引入更多的黑暗实体。

他们告诉我们，有“4个黑暗魔法师”在协助撒旦精英。这些撒旦分子中有些是公众人物，有些则隐而不露。其中一些祭祀发生在\*\*的偏远地区。{哈塔薇：已打码}

银河联邦用他们的技术，清除了星体层中的许多这些黑暗实体。问题不会完全解决，这些实体仍会带来负面体验。

这意味着，全球范围内会有更多的暴力和战争，以及人与人之间的冲突。全球灾难和核战争会被阻止，但人类选择邪恶的自由意志不会受到侵犯。

-----

朱迪思接收到的视象（2024 年 12 月 28 日）  
和尼奥的解释：

在朱迪丝眼前展现了她收到的保护性下载。她看到了一片户外山野。地面上画着/刻着一个巨大的五角星，大约有 20 米见方。一场仪式正在举行。一个入口正在打开。

尼奥解释说，黑能量和被称为“死亡与毁灭”的实体正被送到全球各地。冲突、暴力和死亡将会增加。

-----

不要害怕，做好准备

我认为，我们已经开始看到一些这样的情况。冲突和随机暴力行为在增加。在假旗事件中

使用了精神控制和克隆人。我认为这种情况不会消失。

做好准备应对基本紧急情况。可能会出现停电和食物短缺。避免过多的负面媒体。懂得如何使用灵性工具，保护自己的神圣空间。冥想，寻找内心的平静。记住灵魂永远是安全的。这是一切彻底改变之前的最后考验。我们每一天都在接近扬升。你们将会等到，而这样的等待是值得的。最好的还在后面。

## The Darkness Before the Light

I spend a lot of time telling people about the good things coming at the Shift. So much so that many accuse me of spreading false hope.

None of this is imaginary and more people are awakening to this truth.

But sometimes it's necessary to balance out the good news with important information about the dark forces.

What I need to share isn't fearmongering or being judgmental. This is practical information to use to protect yourselves.

Pleiadians have always said things will be the darkest just before the Shift. All of their spiritual teachings have been to prepare us for this. This is what 'putting on the armor of God' really means.

What's concerning me is that some people believe that evil has already been defeated and that we're only days away from the Shift, or

White Hats announcing the end of a 'show'.

Many people are already expressing desperation and hopelessness. I think social media and the constant repetition of negative media is contributing to this.

Many truth seekers think that knowing how they've been victimized and lied to makes them more 'awake' but often this is what's preventing them from raising their vibration and becoming more spiritually aware.

I've been saying for a while that I believe once Trump returns to the White House, the dark forces will have no reason to pretend things are somewhat okay anymore. There will be no holding back. This will be their last stand.

The 'light covering the Earth' referenced by Trump and the downloads given from Elder IKAI are preparing us for what's coming.

CERN

We've previously discussed the hidden purpose of CERN (Large Hadron Collider) is to open portals to dark dimensions that allow negative entities into our world through the astral plane.

These entities can affect humans in ways that aren't obvious but are experienced as conflict, depression, anger, fear, etc. This is spiritual warfare, and we can protect ourselves when we're aware.

## Dark Plans

Pleiadians have disclosed that there are ongoing private rituals happening in secret places where elite satanists are opening portals that bring in more dark entities.

They've told us about the '4 dark magicians' who assist the satanic elites. Some of these satanists are public figures and some stay hidden. Some of these rituals are happening in remote areas of \*\*\*\*\*.

Galactic Federation clears out much of these dark entities from astral with their technology. The problems won't be completely fixed and there will still be negative experiences from these entities.

This means more violence and war globally, as well as interpersonal conflicts. Global cataclysms and nuclear war will be prevented but human free will to choose evil won't be infringed upon.

-----

A vision received by Judith (Dec 28, 2024) and Neioh's explanation:

Judith receives a download of protection as this is shown to her. She views an outdoor mountainous wilderness. There's a large pentagram drawn or carved into the ground, approximately 20 meters wide. A ritual is happening. A portal is being opened.

#NEIOH explains that dark energy and entities called "Death and Destruction" are being sent around the Earth. There will be an increase in conflict, violence and death.

-----

Don ' t be Scared, Be Prepared

I think we're already beginning to see some of this with increased conflict and random acts of violence. There is mind-control and cloning being used in false flags. I don't think this is going away.

Be prepared for basic emergencies. There could be blackouts and food shortages. Avoid excessive negative media. Understand the spiritual tools available to you to protect your

sacred space.

Meditate to find inner peace. Remember that the soul is always safe. These are our final tests before everything changes completely.

We're getting closer to the Shift every day. You will make it, and it will be worth the wait. The best is yet to come.

2025.1.1

(卡柏， 2025 年 1 月 19 日)

再次提醒你一下。

无论你觉得自己多么受害或被骗，你都不是地球上的囚犯，这种经历只是暂时的。

本土灵魂会自然转世，属于这里。星际种子自愿接受这种体验，并同意忘却。

从更高的角度来看，挑战并不害怕，而是受到欢迎。灵魂是永生的，记得所有的往世，且不会受到伤害。

银河联邦是唯一和我们在一起的银河组织。他们是唯一被看到的不明飞行物。他们是光之天使。听上去类似的组织都是想象出来的

银河联邦从没有囚禁我们。他们是完全大爱的存有，是这个星球有史以来最伟大的朋友

他们升级了我们。但没有从我们这里拿走任何东西。他们每天都和我们在一起，帮助需要帮助的人，保护地球免受外来威胁。

他们不是来解决我们所有问题的，而是来教会我们自我赋权，以及如何解决自己的问题

他们是我们的向导，与我们一齐化身，经历我们同样经历的事情。

没有人试图拯救/解救我们。不存在将我们从负面外星人手中解放出来的战斗。只有与星体层生命之间的精神战争。

负面外星人并没有奴役人类，也没有天天伤

害人类。是人类凭自己的自由意志，在伤害其他人类。

就像正面外星人影响过人类的行为一样，负面外星人也影响我们。但地球上已经没有可见的负面外星人了，这是过时的信息。

没有匿名账号代表所有昴宿星人、银河联邦或阿斯塔指挥部说话。消息来源很重要。个体接触人很重要。

不要理睬自称是苏美尔阿努纳奇人朋友的那些人，他们向你兜售的非灵性琐事不值一提。

远古时代受崇拜的存有，正因为是“坏人”所以才被赞颂为“好人”。这是黑暗势力的倒错。

不要相信银河联邦是恶棍的叙事，也不要相信“爱与光”是心理战的说法。

基于恐惧的信息永远是一种欺骗。光明力量始终掌控着一切。完全公开大揭露没有丝毫可怕的。

Just a reminder.

No matter how victimized or lied to you feel you've been, you're not a prisoner on Earth, and this experience is only temporary.

Native souls reincarnate naturally and belong here. Starseeds volunteer for this experience and agree to forget.

From a higher perspective, challenges are welcomed, not feared. The soul is eternal. The soul remembers all lifetimes and can't be harmed.

Galactic Federation is the only galactic group with us. They are the only UFOs being seen. They are the angels of light. Similar sounding groups are imaginary.

Galactic Federation hasn't imprisoned us. They are completely loving beings and are the greatest friends this planet has ever had.

They upgraded us. They didn't take anything from us. They are with us every day assisting individuals in need and protecting Earth from outside threats.

They aren't here to solve all our problems for us, but to teach us self-empowerment and how to solve our own problems.

They are our Guides and incarnate along with us to experience the same things we all experience.

No one is trying to save us or rescue us. There are no battles to free us from negative ETs. There is only spiritual warfare with astral beings.

Negative ETs haven't enslaved humans and aren't the ones harming humans every day. Humans victimize other humans with their own free will.

Negative ETs have influenced human behavior, just as positive ETs have, but there are no negative ETs physically on Earth anymore. This is outdated information.

There are no anonymous accounts speaking for all Pleadians, Galactic Federation or Ashtar Command. Sources matter. Individual contactees matter.

Don't fall for people throwing non-spiritual trivia at you while claiming to be friends with Sumerian Anunnaki.

The beings worshiped in ancient times are celebrated as the 'good guys' because they're the 'bad guys'. This is the inversion of dark

forces.

Don't fall for narratives that Galactic Federation are the villains, or that 'love and light' is a psyop.

Fear-based information is always a deception. Light forces are always in control. There is nothing to fear from full disclosure.

2025.1.21

## “天使与堕落天使”

我在这里主要是为了帮助揭露 UFO 和外星人，并谈论即将到来的转变，其中大部分内容涉及解开多年来的恐惧编程。

我使用某些术语，是希望人们能够更好地理解信息披露与宗教之间的联系，并辨别人类创造的宗教教义中的真相与虚构。

首先，我们必须了解整个宇宙都存在生命。地球并不是独一无二的。就像人类一样，宇宙中的每一个生命都要为自己的行为负责。这就是“自由意志”的含义。

正因为如此，在一个种族或物种内部甚至可能存在善与恶。**没有完全邪恶的种族**。种族主义就是认为种族要么全好，要么全坏。

就外星人和地球而言，存在着光明力量和黑暗力量。这些多种多样的生命，在宗教里被冠以天使、耶洛因、人子、上帝等多种名称。

所有存在的生命形式，包括自然、灵魂、行星、星系，都来自于一个我们称之为上帝或源头的不可名状的力量，但地球上的人类，是由被称为耶洛因的更高维度的外星人，从更原始的状态升级而来的。有自然进化，外加外部干预。

这些将人类升级的正面外星人，是一个叫做银河联盟（邦）的组织。他们参与地球是为了让人类快速成为银河文明。他们这样做是出于爱。否则，地球本土灵魂将无处可去。如果没有外界的干预，人类根本不可能存活这么久。

地球不是监狱，而是一所学校，让灵魂自愿  
从其它地方前来化身，体验二元性。这里有  
完全的自由意志。邪恶虽被允许，但也有保  
障措施来防止外界的攻击，防止黑暗势力显  
化对人类的一切邪恶意图。

这个系统允许人类自由犯错，并从中吸取教  
训，银河联邦有时会进行干预，以纠正那些  
不利于大局的事情。地球上之所以有善恶之  
分，是因为人类选择了善恶。

这里的负面外星人，数量少，力量弱，部分  
被允许用谎言和欺骗进行干扰。他们是被银  
河联邦的叛徒引到地球的，他们假装站在对  
立面，目的是分裂人类。这种伎俩一直延续  
至今。他们来到地球，是神话中的神和圣经  
中堕落天使故事的出处。

这些正面外星人（天使）和负面外星人（堕落天使）之间有哪些主要区别呢？

## 天使

- 银河联邦的耶洛因领导者
- 他们对整个人类进行了基因升级
- 他们来教导我们内在的神圣力量
- 他们充满大爱并保护我们
- 他们化身为人类，他们充当向导
- 他们出现在飞船里，他们行走在我们中间
- 他们保护地球，他们计划我们的扬升

## 堕落天使

- 被银河联邦驱逐的存有
- 他们改变了现有人类的一支血统
- 他们假装是上帝（和耶洛因）
- 他们嫉妒、愤怒并宣扬恐惧

- 他们要求血祭
- 他们藏身在星体层
- 他们分裂人类，他们计划我们的苦难

知识就是力量。恐惧就是控制。上帝是爱。

没有什么可怕的。学校就要结束了。

'Angels and Fallen Angels'

I'm primarily here to help with disclosure of UFOs and extraterrestrials, and to talk about the coming Shift, and much of this deals with untangling years of fearful programming.

I use certain terms so people can hopefully better understand the connections between disclosure and religion and discern truth from fiction in human-created religious doctrine.

We must first understand there's life throughout the universe. Earth isn't unique. Just like humans, each individual being in the universe is responsible for their own behavior. This is what 'free will' means.

For this reason, there can even be good and evil within a single race or species. There are no completely evil races. Racism is the belief there are entirely good or bad races.

In the context of ETs and Earth, there are light

forces and dark forces. These various beings have been called many names in religion, from Angels, to Elohim, to Son of Man, to God.

All forms of life that exist; nature, souls, planets, galaxies, all come from an unnamable force we call God or Source, but humans on Earth were upgraded from a more primitive state by higher dimensional ETs called Elohim. There was natural evolution plus outside intervention.

These positive ETs who upgraded humans are a group called Galactic Federation. Their participation with Earth has been to fast-track humans to become a galactic civilization. They've done this out of love. There's no other place that Earth-native souls would otherwise be. Without outside intervention humans would

simply not have survived this long.

Earth is not a prison. Earth is maintained as a school for souls to voluntarily incarnate from other places to experience duality. There is complete free will. Evil is allowed but there are safeguards to prevent outside attacks and to prevent dark forces from manifesting every evil intention against humans.

This system allows humans the freedom to make mistakes and learn from them, and Galactic Federation will sometimes intervene to correct things that don't serve the greater good. The reason why there's good and evil on Earth is because humans choose good and evil.

The negative ETs here are weaker and fewer

in number and are partially allowed to interfere with lies and deception. They were led to Earth by traitors of Galactic Federation, who pretended to be on opposite sides in order to divide humans. This tactic continues today. Their arrival on Earth is where stories of mythological gods, and scriptural stories of fallen angels originate.

What are some of the major differences between these positive ETs (Angels) and negative ETs (Fallen Angels)?

## ANGELS

- Elohim leaders of Galactic Federation
- They genetically upgraded the entire human race
- They came to teach of divine power within us

- They are loving and protective
- They incarnate as humans, They serve as Guides

- They ' re seen in crafts, They walk among us

- They protect Earth, They plan our ascension

## FALLEN ANGELS

- Beings who were expelled from Galactic Federation

- They altered one lineage of existing humans
- They pretended to be God (and Elohim)
- They are jealous, angry and promote fear
- They demanded blood sacrifices
- They hide on the astral plane
- They divide humans, They plan our suffering

Knowledge is power. Fear is control. God is love. There's nothing to fear. School is almost over.
