没有灵性的理解，就不可能有全面披露，而只要有恐惧的信念，就不可能达到灵性理解

这句话我已经说了很多年。

许多不明飞行物真相论者（和宗教真相论者）一直不以为然地把我当成笑话，因为我说的事情无法“证明”得让他们满意。

因为，我告诉他们，我们不是囚犯，我们是灵魂，只是暂时地体验人类经历，只有光力量的飞船才灯火通明，希望被人看到。

现在，随着全世界越来越多的人看到不明飞行物，他们中的许多人都在暗淡的前景中挣

扎。

他们所有的所谓寻找“证据”，留给他们的只有恐惧和不确定。这是不可避免的。

以恐惧为基础的娱乐和宗教教义，已经从他们的信仰中完全剔除了光的力量。

任何认为所有 ET 都是“恶魔”，试图奴役我们，并以我们为食的人，恰恰都是中了黑暗力量的圈套。

他们要想在精神上觉醒，唯一的办法就是穿过这片黑暗。这是我们最后的考验。

隐藏的真相将不断浮出水面，这将迫使人们要么放弃错误的想法，要么继续受苦受难。

与灵魂沟通。灵魂知道。我们拥有所需的一切。完全公开大揭露并不可怕。

There can't be full disclosure without spiritual understanding, and there can't be spiritual understanding with fear-based beliefs.

I've been saying this for years.

Many UFO truthers (and religious truthers) have continually dismissed me as a joke because I talk about things can't be 'proven' to their satisfaction.

Because I tell them we aren't prisoners, that we're souls having temporary human experiences, and that only light forces want to be seen in brightly lit crafts.

Now as more UFOs are being seen worldwide, many of them are struggling with bleak outlooks.

All their searching for 'evidence' has left them with nothing but fear and uncertainty. This was inevitable.

Fear-based entertainment and religious doctrine has removed the power of light forces from their beliefs entirely.

Anyone who thinks all ETs are 'demons' trying to enslave us and use us for food are exactly where the dark forces want them to be.

The only way for them to awaken spiritually is to walk through this darkness. These are our

final tests.

Hidden truths will keep coming out, which will force people to either abandon false ideas or continue to suffer.

Connect with your soul. The soul knows. We have everything we need. There's nothing to fear from full disclosure.

拭目以待

对许多寻求公开大揭露的人来讲，“反重力推进“和”零点能量"可能听起来很有吸引力，但这些基本上都是掩盖更大真相的烟幕弹而已。

统治者想让你们相信，只有人类开着飞碟飞来飞去，如此，则可以阻止你们理解我们并不孤单，也从未孤单过。

黑暗势力最害怕的，就是一个隐藏的真相会导致另一个隐藏的真相，直到人们最终摆脱他们的控制幻觉。

我们并没有丝毫接近政府或军方公开改变世界的惊人隐秘技术。

我们离大众觉醒意识倒是越来越近，那就是有强大的光之力量和我们在一起，他们一直在耐心地等待我们觉醒，这样世界就能最终改变。

Watch and See

"Anti-gravitic propulsion" and "zero-point energy" may sound appealing to many who are seeking disclosure, but these are ultimately distractions hiding much greater truths.

The gatekeepers want you to believe there are only humans flying around in UFOs because it keeps you from understanding we're not alone and have never been alone.

The greatest fear of the dark forces is that one hidden truth will lead to another, until people finally break free of their illusion of control.

We're not getting closer to the government or military unveiling amazing hidden technologies that change the world.

We're getting closer to a mass realization there are powerful forces of light with us who have been waiting patiently for us to wake up, so that the world can finally change.

对外星人的恐惧

随着越来越多的飞船出现，会有更多的人投射出不必要的恐惧。我一直认为，随着“大转变”的临近，这种恐惧会越来越多。

就连耶稣也说过，当“人子”（就像人类）在他回来之前出现在天空时，人们会毫无准备。

可悲的事实是，我们每天听到的所有暴力和死亡都是人类干的，而不是外星人。人类伤害人类。

并非所有人类都是坏人，正如并非所有外星人都是好人一样。宇宙中的每个个体都有选择善恶的自由意志。

人类拍电影描述太空和邪恶外星人的恐怖，而现在仁慈的非人类开始显露自己，更让人感到恐惧。

这就是为什么一切都必须慢慢来。这就是要等到“大转变”之后才能完全公开大揭露的原因。人类必须先意识上进化。

泽塔人的绑架事件非常罕见，而且他们已经消失了。地下没有吃人的蜥蜴人。

只有负面的星体层实体，可以用低振动操纵人类。所以，想想生活在恐惧中的人有多讽刺。

地球正受到银河联邦的保护，免受外来负面飞船的侵袭。我们现在看到的所有飞行器都是正面的，都是想让我们看到的。不存在飞碟威胁。

如果外星人想奴役我们，不如暴露自己，直接让我们成为奴隶，岂不是更容易吗？那样不是更加可怕吗？可这并没有发生。

运用逻辑和理性。监狱只存在你的脑子了。
请拒绝恐惧。

Fear of Extraterrestrials

As more crafts are seen there will be more people projecting unnecessary fear. I've always believed this will increase as we get closer to the Shift.

Even Jesus said that people will be unready as the 'Son of Man' (like humans) appear in the sky before his return.

The sad truth is that all the violence and death we hear about each day is done by humans, not extraterrestrials. Humans victimize humans.

Not all humans are bad just as not all extraterrestrials are good. Each individual being in the universe has free will to choose good or evil.

Humans make movies about the terrors of space and evil aliens, and now as benevolent non-humans begin to reveal themselves, there's more terror.

This is why everything must move slowly. This is why full disclosure can't happen until after the Shift. Humans must first evolve in consciousness.

Abductions by Zetas were rare and they're already gone. There are no Reptilians feeding on people underground.

There are only negative astral entities that can manipulate humans with a low vibration. So, consider the irony of living in fear.

Earth is being protected from outside negative crafts by Galactic Federation. All the crafts we see now are positive and intend to be seen. There is no UFO threat.

If aliens wanted to enslave us, wouldn't it be much easier if they revealed themselves and just made us slaves? Wouldn't that be much more terrifying? That's not happening.

Use logic and reason. The prison is in the mind.
Reject fear.

史蒂文·格里尔的心理战

根据格里尔的说法，军方截获了非人类的通信，发现 ET 已经怒不可遏，因为我们的力量已经达到了他们的水平。

任何了解事情真相的人都知道，这个故事有多么荒谬。

人类甚至还没有达到那些坠毁的，相对原始种族的科技水平，更不用说现在打算让人类看见的，'神一样的'银河联邦耶洛因了。

在我看来，特朗普的随口一说，已经揭穿了中国无人机的说法。他完全了解银河联邦的情况，知道它不存在威胁。

格里尔的故事显然是由负面军方灌输给他的，目的是煽动与中国的冲突，掩盖善意的

银河联邦之存在。

他们无法针对银河联邦实施蓝光计划/假入侵计划。他们只有信息心理战，让人们处于恐惧和怀疑之中。

任何有逻辑的人都明白，人类的秘密 UFO 项目不会有灯光，也不会试图被我们记录多年

赛博特卡车爆炸案

许多人不明白，包括许多大规模枪击和恐怖袭击在内的假旗事件，实际上是由联邦调查局和军方的黑帽子策划的。

他们使用精神控制。他们入侵电子邮件。这不是阴谋论，而是现实。

显然，选择马修-利文斯伯格是因为他的军方背景和无人机工作经历。但如果你看看他的故事，就会发现，他并没有受到威胁或逃避任何人的迹象。

要么是格里尔自己被精神控制了，要么就是他比我想象的还要天真和渴望出名。

人类从未用武器击落过外星飞船，包括在罗斯威尔。格里尔错了。

根本不存在 UFO 威胁。军队和外星人之间永远不会有 UFO 战争。现在我们天空中的所有外星飞船都是友好的，它们想让我们看见。

The Steven Greer Psyop

According to Greer, the military has intercepted non-human communications and found out ETs

are mad because we've reached their level of power.

Anyone who understands what's going on knows how absurd this story is.

Humans haven't even reached the level of technology of relatively primitive races who have crashed, much less 'god-like' Galactic Federation Elohim intending to be seen now.

As far as I'm concerned, the Chinese drone narrative has already been debunked by Trump's offhand remarks. He has full disclosure about Galactic Federation and knows there isn't a threat.

Greer's story is obviously being fed to him by

negative military to promote conflict with China and conceal the benevolent Galactic Federation presence.

They're unable to stage a Project Bluebeam/fake invasion scenario against Galactic Federation. All they have are information psyops to keep people in fear and doubt.

Any logical person understands secret human UFO programs wouldn't have lights and try to be documented by us for years.

The Cybertruck Bombing

Many people don't understand that false flags, including many mass shootings and terrorist attacks, are actually planned by FBI and military

black hats.

They use mind control. They hack emails. This isn't a conspiracy theory. This is reality.

The obviously chose Matthew Livelsberger because of his military background and history working with drones. But if you look at his story, he showed no signs of being threatened or running from anyone.

Either Greer is being mind-controlled himself, or he is more naive and hungry for fame than I could have ever imagined.

Humans have never brought down extraterrestrial crafts with weapons, including at Roswell. Greer is just wrong.

There is no UFO threat. There will never be UFO battles between military and extraterrestrials. All the extraterrestrial crafts in our sky right now are friendly and they intend to be seen.

"Aliens are demons"

What else would a demon say who didn't want you to know about angels?

Anyone who looks at the immense scale of the universe and believes God made everyone evil except them is obviously under the spell of dark forces and doesn't think very highly of God.

“外星人是恶魔”

一个不想让你了解天使的恶魔还会说什么呢？

任何看到宇宙宏大规模的人，却相信上帝让除他们之外的所有人变成恶魔，这些人显然是被黑暗势力迷惑了，对上帝所知甚少。

蒂姆-伯切特总是走在所有人的前面。

认为长期以来允许自己被和平看到的不明飞行物都是外国对手，是不合逻辑的。这就只剩下国内的秘密技术或仁慈的非人类智慧了。

那么，是谁想被我们看到呢？军方害怕与谁交接？

光之天使。这符合《圣经》。

我很难与那些说自己“敬畏上帝”或“跪拜上帝”的人产生共鸣。

他们的本意可能是好的，但这些想法来自人类真的跪在假冒上帝实体面前的时代。

万物之源从未要求任何人下跪，也从未威胁任何人不服从就会受到折磨。

有些人会说，“敬畏上帝”就像敬畏慈爱的父母，但你也不应该敬畏你的父母。{哈塔薇：  是的！卡柏的话太一针见血了}

如果你只是因为害怕惩罚才做好人，那么，你真的是好人吗？

你应该在道德上做好人，因为从爱的角度来看，这是最理智、最理性的做法。

以恐惧为基础的教条是地球上最古老的心

理战术，用来控制人类，掩盖最伟大的真理。

上帝就在我们心中。上帝就是爱。一切存在的事物都是上帝在体验上帝。

知道了这一点，就意味着我们不应该害怕任何东西，而向外在的神灵下跪则是一种精神错乱。

如果我们无法通过人类对待他人的方式来判断他们是好是坏，那么我们就根本什么都不可能知道。

爱上帝。毫不恐惧。不向任何人下跪，尤其是假装是神的实体。

It's hard for me to relate to people who say they 'fear God' or 'kneel to God'.

They might mean well, but these ideas come from a time when humans literally knelt before entities pretending to be God.

The Source of all Creation never demanded anyone kneel and never threatened anyone with torture for disobedience.

Some will say that 'fearing God' is like fearing a loving parent, but you shouldn't fear your parents either.

If you're only a good person because you fear punishment, then are you really a good person?

You should be morally good because, from a perspective of love, it's the most sane and rational way to be.

Fear-based doctrine is the oldest psyop on Earth, used to control humans and hide the greatest truth there is.

God is within us. God is love. Everything that exists is God experiencing God.

Knowing this means there's nothing we should ever fear, and kneeling to external deities is insanity.

If we can't know if beings are good or bad by how they treat others, then we can't know much of anything at all.

Love God. Fear nothing. Kneel to no one, especially entities pretending to be God.

与一只 7 英尺高的螳螂人的遭遇

#尼奥 - "有很多人都在分享有关他们个人经历的信息。虽然其中一些人分享真相的初衷是好的，但他们已经变得十分糊涂。有的人在沉睡，有的人在星体中体验。有些人被欺骗的图像和声音控制了大脑。

很久以前，有过和某些团体和种族的互动。
银河联邦不再允许这种交流或访问。这个人
发出的信息是精神控制。根本就没有互动。
黑暗势力使用的许多程序都会引起恐惧反

如果你想知道什么是真实的，灵魂是强大的
在这最后的时刻，只允许提供有助于人类觉

'Lieutenant Colonel Dr. John Blich, a retired
military officer and senior researcher at
Wright-Patterson Air Force Base talks about an

encounter with a 7-ft tall Mantis being'

#NEIOH - "There are many people that share information regarding their personal experiences. While some of these people have a good intention to share truth, they have become very confused. There are those that are asleep or have an experience in astral. There are some that are mind controlled with images and voices of deception.

There have been interactions long ago with certain groups and races. The Galactic Federation no longer allows this type of communication or visits. The information that comes forth from this man is mind control. There was no interaction at all. There are many

programs used by the dark forces that enjoy a fearful response.

If you want to know what is real, the soul is powerful and only information is allowed in these final moments that will assist humanity in awakening."
