

是时候谈谈斯蒂芬·格里尔医生了。

首先，我尊重格里尔过去的工作，我也并不乐于反对任何对 UFO 披露和善良外星人接触话题有积极影响的人。但斯蒂芬·格里尔不再是有助于公开大揭露了，相反他在帮助掩盖。

格里尔在三周前的一次采访中说，根据绿色贝雷帽消息来源，有关隐藏军事技术的重大披露将在 1 月初之前发布。

现在看来，他的情报很可能来自杀害迈特·利文斯伯格的同一批人，他们制造了一个假的中国无人机威胁的“告密者”故事，以掩盖银河联邦的存在。

他知道自己是在做什么吗？不，我认为，他以

为自己是在分享诚实的披露信息。问题是，UFO的披露怎么可能来自那些负责掩盖UFO事实的同一拨人？

深层国家-阴谋集团，显然是想挑起中美之间的战争，但却无法制造现实的威胁，**因为我们的天空正被银河联邦控制。这就是他们依靠虚假信息的原因。**

多年来，格里尔在“蓝光计划”上一直是错误的。他无法说明我们的天空中存在哪些种族，也无法解释他们为什么会出现在这里，但他一直在说，他将是那个提供全面信息的人。

具有讽刺意味的是，格里尔在谈论灵性和UFO接触时更加真实，但在他开始宣传虚假信息之前，UFO社区从未认真对待过他。

请注意，没有任何国家的秘密军事飞船，点着亮灯试图让我们看到。银河联邦想被人类不带恐惧地看到，他们正在部分混入人类飞行器，逐步揭穿虚假理论。

It's time to talk about Dr. Steven Greer.

First of all, I respect Greer's past work, and I don't enjoy speaking against anyone who's had a positive impact on the topic of UFO disclosure and benevolent ET contact. But Steven Greer is no longer helping disclosure, he's helping the coverup.

Greer said during an interview 3 weeks ago that major disclosures regarding hidden military technology would be released between then and

early January and the source was from the Green Berets.

It now seems likely he's been getting intel from the same people responsible for killing Matt Livelsberger and creating a 'whistleblower' narrative about a fake Chinese drone threat in order to conceal the Galactic Federation presence.

Does he realize what he's doing? No, I think he believes he's sharing honest disclosure. The problem is that UFO disclosure can't come from the same people responsible for the UFO coverup.

The deep state-cabal is obviously trying to start a war between the US and China but are unable

to create a realistic threat because our skies are controlled by Galactic Federation. This is why they rely on disinformation.

Greer has been wrong about Project Bluebeam for years. He can't articulate which races are in our skies or why they're here, but he continues to say he'll be the one to provide full disclosure.

The irony is that Greer was more truthful when talking about spirituality and UFO contact but was never taken seriously by the UFO community until he began promoting false information.

Be advised. There are no secret military crafts from any country with bright lights trying to

be seen by us. Galactic Federation wants to be seen without fear, and they are partially blending with human crafts to gradually debunk false theories.
