## 光之银河联邦

### The Mission

#### 使命

Galactic Federation was founded by Pleiadians with knowledge and wisdom gained from Fae and Archangels.

光之银河联邦由昴宿星人创立，其知识与智慧则是来自于精灵与大天使们。

Pleiadians were joined by powerful allies, Arcturians, Sirians, Andromedans and Orions,

in service of God-Source (ELAKO).

昴宿星人随后联合了强大的盟友，大角星人、天狼星人、仙女座人和猎户座人，以服务于神圣源头（God- Source ELAKO伊拉珂）。

Galactic Federation are peacekeepers who protect the innocent and teach positive spirituality to less advanced worlds.

银河联邦是保护无辜者和向发展程度较低的世界教导积极灵性的和平守护者。

Although they represent love and light, these are the most advanced groups in our galaxy, and can easily overcome any opposition.

尽管他们代表着爱与光，他们亦是我们的银河系中最先进的团体，并且可以轻易的战胜任何对手。

They are loved by good and feared by evil across the universe.

他们在整个宇宙被良善爱戴被恶魔畏惧。

They have assisted many worlds with ascension, sometimes followed by invitations to join the Federation.

他们协助许多世界完成扬升，有时接着会发出加入联邦的邀请。

Galactic Federation is known to us in

history, religion and mythology as the angels of light walking among us, but their connection to humanity goes much deeper.

银河联邦在我们的历史、文化和宗教中，是行走在人间的光明天使，但是他们与人类的联接远比这更为深刻。
