

光语

拿玛雅语举例，它与昴宿星人和银河联邦其他种族使用的“光语”有些相似。他们使用心灵感应，可以说任何需要的语言，但也共用一种口语。这是地球上第一种传授给升级后的人类的语言，如今在一些文化中仍能找到它的痕迹。当黑暗势力到来时，他们破坏了人类的通用语言，制造分离，推进冲突和战争。这就是《圣经》中描述的“说方言”，也是今天基督教五旬节派教会仍在使用的一种通灵方式。昴宿星人曾经分享过许多例光语中使用的单词和短语：

Light Language

This example of the Mayan language is somewhat similar to the 'light language' spoken by Pleadians and other races of Galactic Federation.

They use telepathy and can speak in any language needed but also use a shared spoken language together.

It was the first language taught to upgraded humans on Earth and traces can still be found

in some cultures today.

When the dark forces arrived, they disrupted the universal human language to create separation and promote conflict and war.

This is the 'speaking in tongues' described in scripture and is a form of channeling still practiced in Christian Pentecostal churches today.

Pleiadians have previously shared many examples of words and phrases used in light language:

Light, Creator Of All = ELAKO

Galactic Federation = GESAK EKAFAS

Angel = FACEE

Archangel = VAFACEE

Mother-Father Creator / I AM = EE-AH

Elohim = EAKESAM

Pleiades and Pleadians = LASHAE

Taygeta = AMEKA

Merope = MOEKAH

Alcyone = SHAMEKIH

Electra = EKAMISHEE

Pleione = PASHITOH

Celaeno = SILOMEEH

Maia = MEISHO

Asterope = AHMOKOLI

Atlas = ASHIH

3D Earth = NECHEN

Pleiadian nickname for Earth = KISHAPOLEE

5D Earth = SHEEN

Humans = KASIE

I Love You So = EN EEKE MAI EA

Thank You = KIE MAI

Friend = KASEP

Be Healed Now = KEE AH SHA

The Great Awakening = AH BOWAKAWA
POSEI

All Sacred Life = LAMASOSE

Mayan language

The Mayan language, once the main language of the Mayan empire, was forbidden by the Spanish conquistadors in the 16th century. They sought to suppress indigenous languages and impose Spanish as part of their colonization efforts. Despite their efforts, Mayan languages survived and are still spoken today by millions of Mayan descendants in Central America. Recent years have seen efforts to revitalize and promote the Mayan languages, acknowledging their cultural significance.

马特-盖茨 (Matt Gaetz) --"我们有一些国会议员相信，地球上不仅有外星人，而且他们还建造了基地，并据此展开活动。

正如我多年来所说，银河系联邦在地球上
有数百个基地，分布在我们的湖泊、海洋、山
脉和地下。

他们从一开始就和我们在一起。他们是我们的
灵魂家族，是我们的向导，是我们免受外
来威胁的保护者。他们为我们带来了扬升。

他们是“光明天使”，而非堕落天使，也不
是恶魔。光力量乘坐明亮的飞船旅行，希望
被人看到。

不要被恐怖的音乐和信息所迷惑。地球上没
有混血繁殖计划。地球目前已被隔离，不受
外界威胁。

我们现在面临的，是与星体层负面实体的

“精神战争”，而不是物理威胁。我们受到保护，没有什么可怕的。

Matt Gaetz – “We have members of Congress who believe that not only are there extraterrestrials on Earth, but that they have built bases and are operating out of bases.”

As I've been saying for years, Galactic Federation has hundreds of bases on Earth, in our lakes, oceans, mountains and underground.

They have been with us since the beginning. They are our soul family, our guides and protectors from outside threats. They are the ones providing our ascension.

They are the 'angels of light'. Not fallen angels.
Not demons. Light forces travel in brightly lit
crafts and want to be seen.

Don't be confused by the scary music and scary
information. There aren't hybrid breeding
programs on Earth. Earth is currently
quarantined from outside threats.

We're now facing 'spiritual warfare' with
negative astral entities, not physical threats.
We're protected and there's nothing to fear.
