

卡柏 -所有的拼图都完美契合。

天狼星是天空中除太阳之外最亮的恒星，因此，古人将“晨星”（路西法）与天狼星而非金星联系在一起是合情合理的。

路西法，非耶稣的上帝，是亚伯拉罕宗教中的嫉妒实体，指挥人类相互争斗并奴役。耶稣称他为“魔鬼”和“谎言之父”（《约翰福音》8:44），《古兰经》则字面上直称其为“天狼星之主”（《古兰经》53:49）。

苏美尔人的阿努纳基（Anunnaki）由恩基（天狼星人）和恩利尔（爬行星人）领导，他们是对立的，但也有亲缘关系，就像阿波罗和宙斯、耶和华和巴尔一样，被视为对等的。

一个是太阳神（路西法），自称是我们的造

物主，另一个是暴风神，需要血祭（撒旦）。他们假装站在对立面，让人类始终处于冲突之中。

那些相信自己是“神的选民”的王室和现代精英，实际上是假光路西法教徒，他们使用“拉（Ra）之眼”和“普罗维登斯之眼”这样的符号，因为它们代表着天狼星，路西法之源。

All the puzzle pieces fit together perfectly.

Sirius is the brightest star in the sky beside our sun, so it makes sense that ancient people connected the "morning star" (Lucifer) to Sirius instead of Venus.

Lucifer, not Jesus's God, was the jealous entity from Abrahamic religions who commanded

humans to fight and enslave each other. Jesus called him 'the devil' and 'father of lies' (John 8:44) and the Quran literally calls him the "Lord of Sirius" (53:49 Quran).

The Sumerian Anunnaki were led by Enki (Sirian) and Enlil (Reptilian) who were antagonists but also related and seen as peers, just like Apollo and Zeus, and Jehovah and Baal.

One was a sun god (Lucifer) who claimed to be our creator, and the other was a storm god who required blood sacrifices (Satan). They pretended to be on opposite sides to keep humans in constant conflict.

The royals and modern elites who believe they

were 'chosen by God' are actually false light
Luciferians who used symbols like the "Eye
of Ra" and the "Eye of Providence" because
they represent Sirius, the origin of Lucifer.
