

2025.9.7 23:00 -2025.9.9 22:49

卡柏：It's not like we come with one purpose. No one can tell you what your purpose is but you. That's why you should follow what excites you because often that's intuitive guidance telling you what serves you best.

我们并非生来只有一个目标。除了你自己，没有人能告诉你你的目标是什么。所以你应该追随那些让你兴奋的事情，因为直觉通常会告诉你什么对你最有利。

提问者与卡柏关于圣经问题 {{{

问：The Bible is either 100% truth..or its 100% lies..it can not be both..It is either

God's word or it is not..

圣经要么是 100% 的真理，要么是 100% 的谎言，两者不可兼得，它要么是上帝的话语，要么就不是。

卡柏：The Bible is definitely not God's word. There are known and unknown human authors. There are evil forces called "God" in the Bible which command slavery and murder. You can either follow the Bible or Jesus's teachings but not both. If you follow the old testament god, then I reject your god.

圣经绝对不是上帝的话语。圣经里有已知和未知的人类作者。圣经里有一些被称为“上帝”的邪恶力量，他们命令奴役和谋杀。你可以选择遵循圣经或耶稣的教导，但不能两者兼而有之。如果你遵循旧约的上帝，那么我拒绝接受你的上帝。

问：Covenant:solemn agreements often sealed w/blood 2 signify commitment & consequence ie death4 breaking the covenant.God's covenant w/Israel ie the MosaicCovenant in Exodus24:6- 8 used blood 2 state the relationship,w/Israel agreeing 2 obey God's law & God promising tobe their God

盟约：庄严的协议通常用血来封印，表示承诺和后果，即死亡，违反盟约。上帝与以色列的盟约，即出埃及记 24:6-8 中的摩西之约，用血来表明关系，以色列同意遵守上帝的律法，上帝承诺成为他们的上帝

卡柏：Whatever creature you're going on about, I reject with my heart and soul.  
无论你谈论的是哪种生物，我都会全心全意地拒绝。

问：Because God wants us to not just accept Him...but commit our lives to Him..john 15:13 Greater love hath no man then this, that a man lay down his life for his friend. God demonstrated this by offering His own Son for us..

因为上帝希望我们不仅接受祂……更要将我们的生命交托给祂……约翰福音 15:13 人为朋友舍命，人的爱心没有比这个大的。上帝为了我们牺牲了自己的儿子，以此彰显了这一点。

卡柏：The true God is source and doesn't seek worship, and doesn't have fragile human traits.

God isn't a character in the Bible. Those are the fallen angels playing "God". The old testament god is Lucifer.

All rituals involving blood are satanic. This was the big trick.

真正的神是源头，不寻求崇拜，也没有脆弱的人类特质。

上帝不是圣经里的人物。那些是扮演“上帝”的堕落天使。

旧约中的神是路西法。

所有涉及血液的仪式都是邪恶的。这就是大骗局。

问：God is not religion..

上帝不是宗教..

卡柏：You are clearly more focused on following a religion than seeking God.

显然，你更注重信仰宗教而不是寻求上帝。

}}}

卡柏：Pleiadians are the angels of the Bible.

昴宿星人是圣经中的天使。

问：It's odd how much Pleiadian lore is similar to the Jehovah's Witness narrative that I grew up learning from my family. They too had a claim in the early 1900's "millions now living will never die". And that generation is all dead now. Hard to not feel like all of this is fake.

昴宿星人的传说和我从小听家人说的耶和华见证人的故事有多么相似，真是奇怪。他们在 20 世纪初也曾宣称“如今活着的数百万人将永不死亡”。而那一代人如今都已死去。很难不觉得这一切都是假的。

卡柏：

Ascension the primary message of Jesus.  
I think you're confusing human-created religion with a higher message.

升天是耶稣的主要信息。我觉得你把人为的宗教和高维信息混淆了。

问：Hey Kab. Quick question if you can indulge me. Inwas wondering what was it that started all this? Like if Oppishekllo (is that right?) had access to higher dimensions like sheen, what causes the original evil choice? Thanks. Appreciate you.

嘿，Kab。请问一下，能不能帮我个忙。

我想知道这一切是怎么开始的？比如，如果 Oppisheklio（对吧？）能够访问像 Sheen 这样的更高维度，是什么导致了他最初的邪恶选择？谢谢。非常感谢。

卡柏：Jealously. Part of the real story seeped into religious doctrine in Genesis. Pidkozox (satan) and Oppisheklio (lucifer) were jealous of Ikai and Ashtar. They plotted with their family and turned against GF. They hated humans because of how much Ikai and GF loved humans so they played "God" to deceive with false light. Now they're basically insane from existing in this frequency for so long.

嫉妒。真实故事的一部分渗透到了《创世纪》的宗教教义中。皮德科佐克斯（撒旦）和奥皮舍克利奥（路西法）嫉妒伊凯和阿斯塔。他们与家人密谋，背叛了 GF。他们憎恨人类，因为伊凯和 GF 如

此热爱人类，于是他们扮演“上帝”的角色，用虚假的光来欺骗人类。如今，他们在这个频率中生存了太久，基本上已经疯了。

问：If I bury crystals in forests or grasslands to absorb nature's energy, and then carry them, is it possible for me to absorb that energy and raise my frequency?

如果我把水晶埋在森林或草原中以吸收自然的能量，然后携带它们，我是否可以吸收这种能量并提高我的频率？

卡柏：You can actually program them with your own conscious intent to carry a high vibration and then later use them as tools.

This would probably be more powerful than just leaving them in nature. Nature/sunlight can cleanse the crystals. 你实际上可以用自己的意识对它们进行编程，使其携带高振动，然后将其用作工具。这可能比将它们留在大自然中更有效。大自然/阳光可以净化水晶。

卡柏：I think the rise of AI is probably something that could have been forecast a long time ago by GF, and probably is a repeating pattern on other planets too. 我认为人工智能的兴起可能是 GF 很久以前就预测到的事情，并且可能也是其他星球上重复出现的模式。

问：Can we help people we know clear negative attachments or influences remotely over a great distance?

My sister is struggling and isn't taking my advice to do the hygiene techniques you taught us...

Thanks!

我们能否帮助我们认识的人在遥远的距离清除负面执着或影响？

我的妹妹很挣扎，不听我的劝告，不遵循你教给我们的卫生技巧……

谢谢！

卡柏：There are people with abilities who can do this remotely but you must seek them out.

有些人有能力远程完成这项工作，但你必须找到他们。

问：Kab, what will our consciousness be like in Sheen? Same as 3D Earth, or will we experience something completely different?

Kab，我们在 Sheen 的意识会是什么样子？和 3D 地球一样，还是会体验到完全不同的东西？

卡柏：Humans will be more aware, smarter, more peaceful and loving.

人类会更加觉知，更加聪明，更加平和而且更加有爱。

问：{ 希恩 } What happens to manufacturing?

制造业会发生什么？

卡柏：Human labor won't be required.  
There will be very advanced new  
technologies introduced.

不再需要人力，而是引入非常先进的新技术。

卡柏：Humans awaken spiritually when  
faced with challenges.

当人类面临挑战时，他们的精神就会觉醒。

卡柏：The worse it gets the closer we  
are.

情况越糟糕，我们就越接近。

卡柏：Satan is literally worshiped as God by mainstream Christianity.

Pleiadians are the angels of light, not pretending to be light. People who see only demons and fallen angels fall into their own trap by denying angels of light.

主流基督教确实将撒旦当作上帝来崇拜。

昴宿星人是光明天使，而非伪装光明。那些只看到恶魔和堕落天使的人，否认光明天使的存在，最终会落入他们自己的陷阱。

卡柏 : Consider that most people who have seen crafts in Earth history have had a soul connection to someone on the craft.

想想看，地球历史上见过飞船的大多数人都与飞船上的某个人有着灵魂联系。

卡柏 : A US-C\*\*\*\* conflict with countries joining either side is probably the worst-case scenario.

炆锅与美发生冲突，任何一方都有国家加入，这可能是最糟糕的情况。

卡柏 : Sheen is what Pleiadians call the 5D Earth they've prepared for us.

Sheen 是昴宿星人为我们准备的 5D 地球的称呼。

问：Would material objects from our 3D life prior to sheen transfer with us, pets, photos, memories, family heirlooms or artifacts? Or will the shift be like waking from a dream where all those things that once seemed familiar are left behind as we discover that we were in a dream and have to adjust to a new reality?

那些在 Sheen 出现之前的 3D 生活中的物质，比如宠物、照片、记忆、传家宝或文物，会随着我们一起转移吗？或者这种转变会不会像从梦中醒来一样，所有那些曾经熟悉的东西都被抛在身后，我们发现自己身处梦境，不得不适应新的现实？

卡柏：It will be a perfected copy of this

reality with all of the same things, but as if there were no dark influence, wear, aging, etc.

它将是这个现实的完美复制品，包含所有相同的事物，像但没有黑暗影响、磨损、老化等。

问：Do you think we will be able to create our own simulations in sheen? Like a situation where we are a rock star for a night? Or get to be with a crush? If so, how realistic? Past time travel simulations? Real past time travel?

你觉得我们能在 Sheen 里创造自己的模拟吗？比如说，体验一下当一夜摇滚明星的感觉？或者和暗恋对象在一起？如果可以，现实感有多强？模拟穿越时空？真正的穿越时空？

卡柏：Yes, we'll have the holodeks from Star Trek. We'll be able to experience the past on handheld devices or virtually.

是的，我们会有《星际迷航》里的全息影像。我们可以通过手持设备或虚拟方式体验过去。

卡柏：The Shift will happen in a blink and it will be very obvious when it does. 转变将在一瞬间发生，并且发生时会非常明显。

卡柏：Elohim originate in higher, everyone

else evolves from lower. Higher is instant manifestation and magic.

耶洛因起源于更高层次，其他一切都是从较低层次进化而来的。更高层次是即时显现和魔法。

问：Kab, can we play golf in Sheen? I know there are sports but if contact sports don't work due to flying etc. Would golf also not work? 🙌😂

Kab, 我们可以在 Sheen 打高尔夫吗？我知道那里有运动项目，但如果因为飞行等原因，接触性运动无法进行，那高尔夫也不行吗？ 🙌😂

卡柏：There will be all kinds of sports. 各种类型的运动都会有。

问：Is there gonna be another wave of drones in December this year like last year?

今年 12 月还会像去年一样再出现一波无人机浪潮吗？

卡柏：Something will happen. It will probably be different than before.

有些事情会发生。它很可能与以前不同

**EZAKEAK TUOLIK**  @EZAELECTRA · 1天

Ahah yes!

问：I always thought Trump knew ("You won't have to vote next time"), but if the angels in heaven don't, I guess Trump doesn't.

我一直以为特朗普知道（“下次你不必投票”），但如果天堂里的天使不知道，我想特朗普也不知道。

卡柏：He has a general idea but not dates. He understands Pleiadians are angels and he's playing a significant role before something big happens.

他大概知道一些，但不知道具体日期。他知道昴宿星人是天使，而且在重大事件发生之前，他扮演着重要的角色。

卡柏：The event itself will happen in a blink. After we're already in Sheen we'll see physical changes, and crafts everywhere.

事件本身会在一瞬间发生。到达 Sheen 后，我们会看到物理变化，到处都是工艺品。

问：TY Kab.

You posted "Trump is the last President" Which brings us to no later than 2028 (and before 2030)

Is it at least fair then to say within approximately now and the next three years?

Blessings. 👍

TY Kab 。

你发布了“特朗普是最后一任总统”的帖子，这意味着最迟在 2028 年（2030 年之前）

那么，至少可以说大约在现在和未来三年内？

祝福。👍

卡柏：Always be sure to separate what I say from the messages and information from Pleiadians.

Yes, I believe that.

务必将我所说的内容与昴宿星人发出的信息和信息区分开来。

是的，我相信。
