

{H：没有一件事情是巧合，如果他们不知道扬升，则不会选择这两首歌}

Kab @Kabamur_Taygeta · 9h

A potential First Lady wouldn't just pick "Age of Aquarius" by 5th Dimension as her theme song.

A President wouldn't just promise a new "Golden Age" with light shining around the Earth.

Unless they had first-hand knowledge of our imminent 5D ascension by Galactic Federation.

Kab @Kabamur_Taygeta · Sep 12, 2024

In 2016, Melania Trump chose as her theme song "Age of Aquarius" by 5th Dimension, a song literally about 5D ascension.

This is further confirmation of Trump's connection to Galactic Federation, the angels of light preparing our ascension....

一个潜在的第一夫人不会只选择第五维的“水瓶时代”作为她的主题曲。

一位总统不会仅仅承诺一个新的“黄金时代”，让阳光普照地球。

除非他们有银河联邦对我们即将到来的5D提升的第一手知识。

Kab @Kabamur_Taygeta · Sep 12, 2024

2016年，梅兰妮·特朗普选择了第五维的主题曲“水瓶时代”，这首歌实际上是关于5D升天的。

这进一步证实了川普与银河联邦的联系，光之天使正在准备我们的扬升...

诺亚方舟

根据在伊拉克发现的一块有 4000 年历史的石碑，“诺亚方舟”来源的船是圆形的。

飞车、旋风、轮中轮、移动的星星--还有圆形的方舟。

这些都是不了解太空和飞船的人对太空飞船的描述。

洪水摧毁亚特兰蒂斯的故事，并非《创世纪》所独有，在其他古代著作中也有提及。它确实发生过。但几千年来，随着故事的重述，许多细节都发生了变化。

诺亚（昴宿星人披露）

诺亚来自“亚当和夏娃”族系，他们拥有更多的天狼人（诺普利亚）基因。他们看起来与众不同，寿命更长。他们是王族和法老。有些人被奉若神明。

诺亚是个好人，他与来访的昴宿星人交好。
洪水来临时，昴宿星人提供了一艘大型飞船
拯救了许多动物，并将新的动物从昴宿星带
到地球。

新的动物被分布在地球的不同地区，还教会了人类如何照顾它们。一些动物灭绝了，还有一些现在生活在相同的地区。

恩基和洪水

在诺亚时代，背叛银河联邦的阿努纳奇人已经躲藏起来，但在许多文化中被当作神来崇拜。

在《吉尔伽美什史诗》的故事版本中，恩基/埃亚（奥皮什克里奥，Oppisheklio）是帮助人类的人。

这是又一个奥皮什克里奥宣传的例子。所有归功于恩基的仁慈行为，实际上都是昴宿星人和银河联邦为地球所做的。

我经常这么说，因为这是事实。条条大路通银河联盟。历史上的每一个重大骗局，都隐藏了他们、他们的教义以及我们与他们的联系。

Noah's Ark

According to a 4,000-year-old tablet found in Iraq, the craft that "Noah's Ark" was based on, was round.

Flying chariots, whirlwinds, wheels within wheels, moving stars - and round arks.

These were all descriptions of spacecraft by people who didn't know what space and spacecraft were.

The story of the flood that destroyed Atlantis isn't unique to Genesis and is referenced in other ancient writings. It really happened. But many details changed as the story was retold over thousands of years.

Noah (Pleiadian disclosure)

Noah came from the 'Adam and Eve' lineage who had increased Sirian (Nopplia) genetics. They looked different and lived longer. They were the royals and pharaohs. Some were worshiped as gods.

Noah was a good man who befriended visiting Pleiadians. When the flood came, Pleiadians provided a large craft to save many animals, and bring new animals to Earth from the Pleiades.

The new animals were distributed in different areas of the planet and humans were taught how to care for them. Some of the animals died out and some live in the same areas now.

Enki and the Flood

By the time of Noah, the Anunnaki traitors against Galactic Federation were already in hiding but were being worshiped as gods in many cultures.

In the version of the story told in the “Epic of Gilgamesh”, Enki/Ea (Oppisheklío) is the one who helped humans.

This is another example of Oppisheklío's propaganda. All the benevolent actions attributed to Enki are what Pleiadians and Galactic Federation did for Earth.

I say it a lot because it's true. All roads lead to Galactic Federation. Every major deception throughout history has been hide them, their teachings, and our connection to them.
