

我们仍处于披露不明空中现象的“人类小我”阶段。

对于那些不知道谁在我们天空中的人来说，他们可能很容易相信，关于人类秘密飞碟、人类时空旅行、人类传送门或人类幻术能力控制非人类飞碟的故事。

还有一些说法认为，古代人类文明已经达到了很高的科技水平，但却被不公平地偷走了。如果以前普通人都做到了，为什么后来就没人做到了呢？

这都是幻想。而现实完全不是一些人的一厢情愿。灵魂家族、灵魂计划、精神向导、扬升。这些才是真相。人类一直都有外部力量的帮助。

有些人仍然相信，人们和平目击的灯光“神秘无人机”，是人类的秘密间谍技术、武器，甚至是“蓝光计划”。这些故事毫无逻辑可言。

这些都是心理战，旨在掩盖这样一个事实：
和平的非人类一直与我们在一起，并希望被
人们不带恐惧地看到。所有的道路都在把我们
引向银河联邦。

We're still in the 'human ego' phase of UAP disclosure.

For anyone who doesn't know who's in our skies, it might be tempting to fall for stories of secret human UFOs, human time-travel, human portals, or human psionic abilities controlling non-human UFOs.

Other narratives suggest ancient human civilizations achieved high levels of technology, but had it unfairly stolen away. If regular people did it before, why hasn't anyone done it since?

This is the fantasy. The reality is what some dismiss as 'woo'. Soul family, soul plans, spirit guides, ascension. This is where the truth is. Humans have always been assisted by outside forces.

Some people still believe the brightly lit 'mystery drones' being seen peacefully are secret human spy technology, weapons, or even Project Bluebeam. There is no logic to these stories.

These are psyops intended to conceal the truth that peaceful non-humans have always been with us and want to be seen without fear. All roads are leading us to Galactic Federation.

我们在与“高处的精神邪恶”搏斗--它依赖于我们的选择而产生任何影响。

这并不是什么新信息，但知道地球上最高级别的负面实体已经被银河联邦关起来，应该会让一些人感到安慰。

在“大转变”之前，我们仍旧有精神战争，但根本不用为这些事情担心。控制我们自己的行动才是最重要的。

不要以受害者心态和恐惧思维，给黑暗势力本身没有的力量。拒绝黑色药丸。最困难的部分已经完成。结局已经写好。

想象一下吧，“撒旦”（皮科索克斯，Pidkozox）在他的牢房里，知道整个星球的人类即将获得升天的超能力，并发现他的所作所为。

黑暗势力才是囚犯，而不是人类。只有他们才应该感到害怕。

We wrestle against "spiritual wickedness in high places" – that relies on our choices to have any influence at all.

This isn't new information, but it should give some people comfort knowing the highest-ranking negative entity on Earth is

already locked away by Galactic Federation.

There's still spiritual warfare until the Shift but some things we just don't have to worry about. Controlling our own actions is what matters most.

Don't give the dark forces more power than they have with victim mentality and fear-based thinking. Reject black pills. The hardest part is already done. The ending is written.

Just imagine "Satan" (Pidkozox) in his cell knowing an entire planet of humans is about to receive ascension superpowers and find out what he did.

The dark forces are the prisoners, not humans.

They're the only ones who should be scared.

{H: 受害者心态和恐惧思维正是黑黑的谎言以让人们在不知道自己的无限之光时，通过散播恐惧与被害的洗脑，利用人们自己的恐惧、被害和黑暗念头创造困束其自己的负面实相，黑黑以此为乐。

注意：创造负面现实的一直都是自己！！因为每一个念头都在源头的意识场里产生着能量与新的投影最终显化到现实。你的生活是你自己创造的！！不是被害！恐惧会造成灾难性后果，恐惧是黑黑的谎言！！你是无限的，你创造自己的生活，正心正念，提高自己的振动频率，你有完全的能力创造正面

现实。心念在哪里现实就在哪里。

黑暗没有实际力量，大转变之前不要赋予黑暗力量，与其直视深渊，不如多看看自己内在的光，多专注光明的一面，专注与光与爱的念头，专注美好与自我肯定，你是临在！
给自我赋权！

结尾重复一遍：黑暗没有力量，除非你给它力量。唱双簧的那俩，没有看客，他就不成戏子！}

Kab, 2025-02-21 (卡柏, 2025 年 2 月 21 日)

The missing taxpayer money hasn't been going to secret space programs, human operated UFOs, med beds or anything beneficial to us. It's much worse.

纳税人丢失的钱并没有用于秘密太空计划、载人飞碟、医疗床或任何对我们有益的事情情况要糟糕的多。

The cabal prefers people to believe the UFOs we're seeing now are human technology for two main reasons:

阴谋集团希望人们相信，我们现在看到的不明飞行物是人类的技术，主要有两个原因：

1. It prolongs ignorance of Galactic Federation (angels) and keeps people confused about the capabilities of human black hats.

1. 它延长了人们对银河联邦(天使)的无知，让人们对人类黑帽子的能力感到困惑。

2. It prolongs ignorance of the cabal's main priority, which is rapid human cloning. This is where all the money is going.

2. 它延长了人们对阴谋集团的首要任务 - 快速克隆人 - 的无知。这就是所有资金的去向。

Humans aren't secretly preparing to disclose advanced technology for our Star Trek future. This is what Galactic Federation is doing for us with the Shift.

人类并没有秘密准备披露我们《星际迷航》未来的先进技术。这是银河联邦为我们所做的转变。
