请注意,说"外星人是恶魔"的那帮人,无 法解释全能的上帝: 为什么需要飞行战车?

为什么命令人类献祭仪式?

为什么要求战争和奴役?

为什么不出面帮忙?

上帝现在在哪里?

在错误的一边。

Notice that the "aliens are demons" crowd can't

他们之所以找不到任何天使, 是因为他们站

explain why an all-powerful God needs a flying

chariot, human sacrifice rituals, wars and enslavement, or explain where he is now and why he doesn't help.

The reason they can't find any angels is because they're on the wrong side.
