

# Density & Dimension

## 密度与维度

Pleiadians define Density as  
Vibrational Frequency,  
and Dimension as Location.

昴宿星人定义密度为振动频率，  
而维度为位置。

Pleiadians originated in the 12th  
Dimension, a location.

昴宿星人起源于 12 维度，一个位置。  
This is where all Elohim originate.  
这里是所有耶洛因的起源之处。

7th Dimension Pleiades is the location  
chosen by these Souls, and in this  
location they are living as 7th  
Density.

七维度的昴宿星团是被这些灵魂  
选择的地点，在这个位置他们以七  
密度生活。

Pleiadians can adapt wherever they go but exist natively in 7th Density in the 7th Dimension.

昴宿星人能适应任何他们所去的地方，但天生在第七维度以七密度中存在。

Pleiadians do not use numbers to categorize anything but names and numbers are used for Human understanding.

昴宿星人并不使用数字去归类任何事物，但名字和数字为了让人类能理解而被使用。

Everything is Vibrating at a certain Frequency.

万物都在某一特定频率振动着。

The Higher the Frequency, the more unseen it is to Human eyes.

频率越高，对于人眼越不可见。

A High Vibrational Being can lower their Frequency to be seen.

高振动的存在可以降低他们的频率以被看见。

Fairies and Angels do this always.

仙女和天使总是这样做。

Pleiadians often manifest on Earth and control their Frequency to be seen or unseen by Humans.

昴宿星人经常显化在地球上并且控制他们的频率以被人类看见或不可见。

# 4D Astral 四维星光层

Astral is a Location with many Frequencies.

星光层是一个包含许多种频率的地方。

There are Angels, Fairies and those of a low Vibration.

这里有天使、仙女和那些低振动的存在。

Angels, Light Beings, Fairies, Thought Form Entities and many ET Races enter Astral to explore, play or cause problems.

天使、光之存有、仙女、思想形态灵体以及许多外星种族进入星光层去探索、玩耍或没事找事（制造麻烦）。

All matter is Created in 4-D Astral  
before manifesting in 3-D.

所有的物质在显化到 3 维前都是在  
4 维星光层被创建的。

Everything Created began as a  
Thought.

万物皆始于一个念头。

Shifting to 5D

转变到 5 维

Earth is 3-D which simply is a location of a low Density Vibration.

地球是三维的，这仅仅是一个低密度振动的位置

The Higher Realms cannot be seen.

更高的意识领域无法被看见。

Earth is Shifting to a Higher Density (5-D) and many will choose to remain here.

地球正在转变到一个更高的密度（5 维）并且许多人会选择留在这里。

Others will choose to return to their 7-D Origin.

其他人则会选择回到他们的 7 维起源。

Those known on Earth will be  
recognized as Souls.

在地球上认识的这些人将会以灵魂被辨认。

No relationships formed in Love will  
be broken.

任何在爱中建立的关系都不会被破坏。

There will be no jealousy or strife.  
将不会有嫉妒或冲突。

The Perspective will be from the  
Soul.

视角将会源自灵魂。

**Aya** — At the present time in speaking from earth, we have Ascended to BE in any Density.

当下以地球来讲，我们已上升至存在于任何密度。

With our deep Love for Source and one another.

伴随着我们对源头和彼此，

All Creation.

一切造物，深沉的爱。

We inhabit the ability to exist with Angels and Light Beings.

我们拥有与天使和光之存有共存的能力。

We have embraced them as our Family and we know them as we are known.

我们拥抱他们像我们的家人一样，而且我们了解他们正如我们被他们所了解。

In doing so, We also travel as they do and Ascend with them as called on for the Expansion of all Creation.

由此，我们也能像他们一样旅行并随一切造物拓展的召唤与他们一同提升。

We are part of Divinity as All Creation but the difference is We Know.

我们与所有造物一样是神性的一部分，但区别在于我们知道。

In Knowing and Feeling, Expansion takes place.

拓展在觉知与感受中发生。

There is no Awakening for us.

对于我们，不存在“觉醒”。

This is a human label meaning to remember who you are as Source.

这是一个人类的标签，意指回忆起你本源是谁。

Some humans Awaken to remember more of their Origin after emerging from Source as Source to various planets.

一些人类觉醒到回忆起更多关于  
他们在从源头涌现后，作为源头所  
去的各种各样星球的起源，

Or their first.

或他们的最初星球。

We currently are able to access any  
level of Consciousness therefore our  
Intention and Mission is to assist in  
the Expansion of all Creation.

我们目前可以进入任何意识层次，  
因此我们的意图和使命是协助所  
有造物的扩展。

We are here to assist and save this  
dying planet.

我们在这里以协助和拯救这颗垂  
死的星球。

It was once one of beauty and harmony.

它曾一度是美丽与和谐之星的一员。

Taken over by greed and darkness, the masses were brainwashed and didn't even realize they had lost all control.

被贪婪与恐惧支配，众生被洗脑，甚至都没意识到他们完全失控了。

Now there is so much toxicity and hatred.

现在这里充满毒性和仇恨。

So much fear and dread.

恐惧和不安。

People have forgotten their Source.

人们忘记了他们的源头。

They have believed the lie,  
incarnation after incarnation.

他们相信了谎言，世世代代。

In between lives they remember and  
return in hopes to make a better plan.

在生世之间，他们回忆并返回，怀  
着希望制作更好的计划。

Born into darkness, their power is  
forgotten again.

出生于黑暗之中，他们的力量再一  
次被遗忘。

We will change this.

我们将会改变这一切。

It may take time but it will happen.

也许需要时间，但它终会发生。

This is why we are here.

这就是我们为什么在这里。

Only for Love and Expansion and to raise the Vibrational Frequency of this living Entity called Earth.

仅仅是为了爱与扩展并且提高这个被叫做地球的生命实体的振动频率。

To assist in Awakening the masses after removing the darkness and shining Light brightly onto Earth again.

在移除黑暗后协助唤醒众生并让光再次闪耀照耀地球。

We are Pleiadians and nothing can stop us.

我们是昴宿星人，没有任何能阻止我们。

**Judith** — The truth is there are no places that in reality are

“dimensions”，but rather look at them as levels of energy that can only be perceived at certain levels of awareness.

事实上在现实中没有哪里是“维度”，但更确切的应是将其看作，在特定的意识层级中仅能感受到的能量层面。

This awareness is something that can happen to any being or living creation at any time.

这种觉察是某种可以在任何时间发生在任何存在或活的造物身上的现象。

In other words, 8,000 years ago or a million years ago, or 10 years ago in our current understanding of “time-space” .

换言之，八千年前或一百万年前，或十年前，在于我们当下对于“时空”的理解。

This is why ancient civilizations were so advanced because of us and other

races as well as some that awakened on their own.

这就是为什么远古文明曾是如此先进，是由于我们还有其他种族、以及他们自己的一些觉醒。

Some without language or skills.

其中一些没有语言和技能。

Because we are Souls!

因为我们是灵魂！

Taygeta now is primarily 7th and also can experience 12th and higher.

泰格塔现在首要处于7维而且也可以体验12维度及更高。

In the current teachings, Angels are the most common in the 12th and

you seldom here of astral traveling there.

在当下的教导中，天使是 12 维中最常见的，而你很少听说在那里的星光旅行。

But the truth is there is no boundary for any living creation to Source!

但事实上任何活的造物与源头无任何分界！

That is the secret that is not a secret. 那是并非秘密的秘密。

It has been taught so much that people believe it.

这被教导如此之多以至于人们相信它。

You are living as Source with a free will.

你们因由源头而生，携有自由意志。

A stream connected to Source.

是一条与源头相连之溪。

A Divine Connection that forever can take you back to Source.

一个神圣的链接，永远可以带你回到源头。

Since Source is the Origin of all, and can ' t be seen, we must know everything is Source!

既然源头是一切的起源，而又无法被看见，我们必须明白所有的一切皆是源头！

But in awareness and belief this is not known by all.

但在觉察与信念中，这并不被一切万有所知。

So Dimensions only exist in Awareness of what is real.

所以“维度”仅存在于何为真实的觉知中。

Angels reside in a high Frequency as do Ascended Masters and Light Beings.

天使存在于高频率中，正如扬升大师与光之存有有一样。

However these two are right outside our range of Awareness.

无论如何这两者完全在我们的觉知范围之外。

Not in a place that can never be attained.

并不是在某个无法企及之地。

Therefore we perceive physical reality even if one is blind because we have Consciousness and a Soul connection to Source.

因此，即使是一个人是盲的，我们也能感知物质现实，因为我们有意识和灵魂与源头相连。

We see the planets that we are able to see and they are part of our physical reality to a point, and then just most can't see non-physical

here on earth, most are not able to see and know there is so much life on Taygeta.

我们看见的星球是我们能看见的，某种程度上它们是我们的物质现实的一部分，然而绝大部分人无法看到在地球上的非物质存在，大多数人无法看到也不知道在泰格塔上存在如此丰富的生命。

Earth would judge this by earth's physics and what they believe is possible for life to exist.

地球会以地球的物理和他们相信生命有可能因什么而存在的来判断这点。

But this is why a Pleiadian can exist in non-physical reality on earth.

但这正是为什么一个昴宿星人可以存在于地球上的非物质现实。

They can ' t be perceived unless they manifest.

他们无法被感知到，除非他们显现。

Angels can also manifest on earth as people in times of need or if called on.

天使也可以在需要的时候或被呼唤时以人类形式显现到地球上。

We are all Divine.

我们都是神圣的。

All creation has no limits but once born into a certain time-space reality,

it is often forgotten and only a few awaken to pure truth in that short life span.

一切创造皆无极限，但一旦进入某一确定的时空现实降生，它总是被遗忘并且只有一小部分存有在那个短暂的生命岁月中觉醒至纯粹真相。

Source is more like seeing a Spiral and not linear lifetime stemming outward.

源头更像似一个螺旋而非直线的寿命发源向外延展。

So each Soul is ever expanding and returning to pure knowledge in Source,

in a sort of arch back and circling back out to go further.

所以每个灵魂都永远在拓展并回归于源头的纯粹知识，在某种程度上弯回并更进一步回转出去。

Ever Expanding without end.

不断拓展，永无止境。

In this return movement there is also great freedom.

在这种回归运动中，也有极大的自由。

When leaving the body, there is at first some Consciousness of the False Identity Story you just lived.

在离开身体的时候，起初有 you 刚活过的虚假身份故事的一些知觉。

Then the full reality of who you really are.

然后完全地意识到你真正是谁。

All of your history, your AKASHIC records so to speak.

所有的你的历史，也可以说是阿卡西记录。

You have just as much Divinity then as you did in any life or as you first were created as a part of Source.

你拥有与你任何生世中所拥有的或与你第一次作为源头的一部分被创造出来时所拥有的一样多的神性。

So you are God for people that use this name.

所以你就是“上帝”，对于使用这个称呼的人。

Your Higher Self is this also.

你的高我也是如此。

This is why you always have the answers you desire to know.

这就是为什么你总是拥有你想要知道的答案。

If you ask, write it down.

如果你提问，把它写下来。

YOU ARE NOT MAKING IT UP.

你并没有在凭空想象。

It only sounds foreign to your earth brain.

它仅仅对于你的地球大脑听起来陌生。

Your Higher Self will tell you anything if you ask.

如果你提问，你的高我会告诉你任何事情。

So will your Guides.

你的指导灵也会。

You have to trust that it might sound crazy but nobody will know but you.

你要相信，也许它听起来疯狂，但除了你没有人会知道。

Start somewhere and you will see.

从某处开始，那么你就会见证。

I personally have been awake and Consciously Aware of experiencing Dimensions (using this for teaching

only, not the name of any place in truth) of Dimensions 3-12.

我个人一直处于觉醒状态并且有意识地觉察体验着“维度”（这仅用于教导，并不是事实上任何地方的名字），3-12 维度。

There are absolute differences.

它们有着纯粹的不同。

I will still tell you that everything you experience in the 3rd is created by thought in the 4th, as you are living NOW.

我依然会告诉你，在你现在活着的时候，你在三维体验的所有事物都是由念头在四维创造的。

This is also a secret that many know.

这也是一个许多人知道的秘密。

This is the Law of Attraction as well.

这也是“吸引力法则”。

Meaning, think a thought, feel it, focus on it and what you want is created in the 4th.

意味着，起一个念头、感受它、专注于它，那么你想要的就被创造在四维了。

Whether it ' s physically manifest is according to the strength it is given by your focus.

它是否物质显化取决于它由你的专注所赋予的精神力量。

Not just thought.

不仅仅起念。

Just thought will not do it, “feeling” is the big secret that people miss.  
仅是念头无法实现它，“感受”是人们忽略的大秘密。

I can see all of this now.

我现在能看见所有的这一切。

I see all that was created in this lifetime that is hard to see.

我看见所有在此生被创造的难以看见的一切。

Something within my brain opened to pure Consciousness and I see what was once hidden.

在我的大脑中某些东西已对纯粹意识打开，我看见了曾一度隐藏的事物。

It was terrifying not to understand this.

不理解这些时它曾是令人恐惧的。

I must deal with it.

我必须面对它。

But I also see the beautiful things.

但我也看见美丽的东西。

I am also doing something different with Thought-Forms.

我也在对意念体做一些不同的事情。

I am feeling Love and looking straight at them.

我一边感受着爱一边直视着它们。

They back away and turn and walk away.

它们退缩，而且转而走掉了。

But the feeling of Love they can't stand.

但它们无法忍受爱的感觉，

Interesting.

真有趣。

You are surrounded by life on many planes of existence.

你是被许多实相层次的生命环绕着的。

At the time you chose pre-birth, you will perceive.

在你选择了出生前的时候，你会理解。

There is so much I have learned and we never arrive.

我学到了如此之多而且我们永无止境。

Sending Love heals you and actually heals the person or place sent to, however small it seems.

发送爱会治愈你，也会切实地治愈发送给的人或地方，无论它看似多渺小。

Nothing is wasted because LOVE is Source.

没有什么被浪费，因为爱是源头。

Only Love is real in each reality.

在每一个现实中只有爱是真实的。

The rest ends and dissolves.

其他的终会消散。

Your Soul then chooses.

之后你的灵魂作出选择。

I chose Taygeta.

我选择泰格塔。
