

## 我们受到了保护

如果非人类智慧生命想从地球上获取资源，他们可以直接拿走。

如果他们想灭绝或奴役人类，他们也可以做到。

如果人类的恐惧是为爬虫人绑架者服务的，那么没有什么比这些绑架者现身更让我们恐惧了。

这一切都没有发生，因为我们受到银河联邦的保护。

银河联邦不需要我们做任何事。他们爱我们。他们有明亮的灯光，因为他们想被看见。

UFO 社区和基于恐惧的真相论者落后了  
因为他们只关注过时的虚假信息。

外星人绑架已经结束了。人类没有被囚禁。只有与星体层实体的精神战争，而它们不能直接伤害我们。

人类有加害或感到受害的自由意志。这就是自由意志的含义。

我们受到强大的银河联邦力量的保护，不受负面 ET 飞船的伤害。如果有 UFO 威胁，我们早就知道了。

我们现在所经历的一切，都是一种精神考验。灵魂永远是安全的。而恐惧则是安宁的敌人。

保持希望，因为一切即将彻底改变。我们都是来此见证的。

We are Protected

If non-human intelligences wanted to take resources from Earth, they could just take it.

If they wanted to exterminate or enslave humans, they could do it.

If human fear served reptilian captors, nothing would frighten us more than those captors revealing themselves.

None of this is happening because we're protected by Galactic Federation.

Galactic Federation doesn't need anything from us. They love us. They have bright lights because they want to be seen.

The UFO community and fear-based truthers are falling behind because they're focused on outdated and false information.

Abductions are over. Humans aren't imprisoned. There's only spiritual warfare with astral entities that can't harm us directly.

Humans have free will to victimize or feel victimized. This is what free will means.

We're protected from negative ET crafts by powerful Galactic Federation forces. If there was a UFO threat, we would already know it.

Everything we're experiencing now is a spiritual test. The soul is always safe. Fear

is the enemy of peace.

Stay hopeful because everything is about to change completely. We're all here to witness it.
