

Columbus

阿卡图 ~ 我化身克里斯托弗 · 哥伦布的一世

(老钉译, 2025 年 10 月 13 日)

Beloved Friends Of Earth! 我挚爱的地球朋友们！

As Infinite Souls, You Have Visited Earth Many Times! Throughout Your Many Waking Dreams, There Has Been Exploration Into Duality And The Many Lessons Learned While Playing Roles With

Other Souls. You Have Lived Through Hardships, Loss And Pain As Well As Bliss And Joy! You Have Always Chosen Stories That Would Allow A Depth Of Understanding That The Soul Desires.

你们是无限灵魂，曾经多次造访过地球贯穿无数清醒梦，你们与其他灵魂扮演不同角色，探索着二元性，汲取着诸多教训。你们历经艰辛、失去与痛苦，也体验过极乐与欢愉！你们始终选择那些灵魂渴求深刻领悟的故事。

One Of These Stories That I Chose Was The Life Of Christopher Columbus. There Are Many Opinions About This Life I Created. I Have Chosen To Communicate Truth And Allow You A Better Understanding. After All, It Is Really Just Me! I Am AKATU And I Hope This Brings Clarity And Love To Your Being!

我选择的诸多故事中，有一个便是克里斯托弗·哥伦布的一生。人们对这个我创造的生命，众说纷纭。我选择传递真相，助你们更透彻地理解——毕竟那终究是我自己！我是阿卡图，**愿此文为你们的本真带来清澈之爱！**

I Arrived As An Infant In Italy In 1451  
To Experience Humble Beginnings. My  
Parents Barely Had Food To Keep Us Alive  
But Somehow We Made It. I Desired A  
Different Life And Left Home As A Boy  
That Had A Dream. I Pursued Travel On  
The Seas And Became Acquainted With  
Great Adventure. This Quest Took Over  
And Nothing Else Mattered.

1451年，我以婴儿之身出生在临意大利以体验卑微的起点。父母勉强维持生计我们却奇迹般地生存下来。渴望不同人生的我，少年时就怀揣梦想，背井离乡。

我对海上航行孜孜以求，熟稔大冒险。  
这段征程占据了我全部身心，其它一切都黯然失色。

I Met And Married In 1479 And Had A Son. I Will Speak Truth That I Also Had A Son With A Lady That I Fell Hard For Emotionally. I Did Get Lost With My Ego. This Allowed A Great Lesson For Me And Elder IKAI Had Much To Say And Teach Upon My Return To Taygeta. But We Learn And Understand Others And Their Behavior As We Journey On In Light!

1479年我结婚生子。必须坦白，我还与一位令我魂牵梦萦的女子育有一子。当时我确实迷失了自我。这段经历给我上了重要一课，在我回返泰格塔后，伊凯长老好好地教导了我一番。但是，**当我们在光中前行时，会不断学会并理解他**

人及其行为！

I Will Admit That I Lived Large Portions Of My Life With My Direction Misguided But The Result Of Many Things That Unfolded Were Never With My Conscious Intention. I Wanted Adventure And Discovery But Never Considered The Choices Others Would Make.

我承认，生命中大多数岁月里迷失了方向，但发生的诸多事件，其结果绝非我刻意为之。我想要冒险与探索，却从未考虑别人会作何抉择。

Many Prospered With The Exchange Of Goods. I Was Never In Favor Of Slavery And Yet The Avatar I Chose Was Blamed For This Result. My Actions Were Recorded By Those Who Never Knew Me. These Things Would Be Detailed In

Accuracy In The Moments You Now  
Perceive On Earth.

许多人借交换商品而繁荣起来。我虽从  
未赞赏奴隶制，却因所选的化身而备受  
责难。那些素未谋面者记录了我的行迹  
你们在地球上所感知的时时刻刻，一切  
都将被精准地详述于史册。

I Needed Support As I Was A Poor Young  
Man. I Spent Many Years Asking And  
Even Begging For The King And Queen  
Of Spain To Donate Ships And Goods To  
Sustain My Travels To The West. I Knew  
Within That The Earth Could Be More  
Prosperous. I Knew Instinctively That I  
Could Unite Continents And Thrive With  
All Of The Excess That Would Serve  
Many.

身为穷困青年，我亟需支持。多年间我  
反复恳求西班牙国王与王后捐赠船只

物资，以维系西行之旅。我内心深知，  
地球可以变得更加富饶。我的直觉告诉  
我，能将各大洲联结起来，让丰厚的资  
源惠及众人。

My Heart Was Good But I Neglected To Consider All Ramifications. I Never Established Slavery Or Harm To Anyone. These Were Times Where One Group Knew Nothing Of What Others Chose To Do. I Knew Nothing Except The Excitement Of New Land And The Possibilities Of Growth That Would Benefit All People.

我本性善良，却疏于考量所有后果。我从未建立奴隶制，也不曾伤害过任何人。那个时代，不同群体彼此之间，互不知晓对方的所作所为。我对其它一无所知，只沉醉于新大陆的激动与发展机遇，满心期待这将造福全人类。

My Three Ships Were Magical To Me!  
I Was Grateful For The Voyages And  
Contacts. The First Trips Were More  
Scattered But We Learned To Navigate The  
Seas Much Better. We Took Animals,  
Supplies And Seeds To Allow  
Growth And Expansion.

我的三艘船魔力十足！我感恩它们带来的航程与相遇。初期航行虽零散，但我们逐渐精进航海技艺。我们运送动物、物资与种子，为发展与扩张奠定基础。

No Land Is Owned On Earth And Yet  
Even In Those Days, People Claimed  
Territories And Named Them As They  
Desired. I Followed This Bad Example  
And Made Declarations That Were Only  
In My Mind. I Felt Gratitude And Joy  
With Each Discovery And Never Knew

Of Destructive Actions By Others.

地球上本无私有领土，可即便在那个年代，人们仍擅自划分疆域，随心命名。我效仿这恶劣先例，在心中默立领土宣言。每逢新发现便心怀感恩与喜悦，全然不知他人正实施毁灭性行径。

Circumstances Beyond My Knowledge Or Control Led The European Colonizations To Take Over Many Native American Civilizations. The Slavery That Occurred Was Appalling And Painful To Me When I Learned Of It.

超出我认知与掌控的局势，导致欧洲殖民者吞并众多美洲原住民文明。当我得知奴隶制暴行时，内心充满震惊与痛苦

This Was Never My Plan And I Was Deeply Angered. When I Was Told, I Was Also Arrested And Sent Back To Spain.

I Never Recovered And My Health Declined. I Died In 1506 With A Broken Heart.

这绝非我本意，令我怒火中烧。当真相揭露时，我被逮捕遣返西班牙。此后我再未恢复元气，健康每况愈下，终于1506年带着破碎的心离世。

I Ask That You Remember The Soul Of Christopher Columbus. I Ask That You Realize That This Was Me. I Truly Desired To Gain Understanding Of Many Aspects Of Being. I Chose Adventure And Accomplished This Greatly While Not Considering The Result Of My Actions On Others.

我恳请各位铭记克里斯托弗·哥伦布的灵魂。请你们明白，那曾是我。我诚心渴求参透存在的诸多奥秘。我选择冒险并成就非凡，却未曾考量自身行为对他

人造成的后果。

Let This Message Serve You Well As You  
Have Choices Now To Make A  
Difference For Yourself And Others.

愿此讯息帮得上你们的忙，因为此刻，  
你们拥有既能改变自己，亦能影响他人  
的选择。

EN EKE MAI EA! 恩溢满爱！

I Love You So! 我如此爱你们！

AKATU 阿卡图
