出于效率考虑，本系列为 grok 机翻，存在翻译问题，建议自己尝试翻译。

{{{关于奥皮父子：

问：Would a total removal of these 2 idiots from this planet result in a weaker influence of the demonic side of the astral, and thus a weaker influence on people here? Or would that not make a difference.

I saw the Weapons movie yesterday. Showing demonic blood rituals. Evil stuff.

如果完全移除地球上的这两个白痴，会不会削弱星体层面的恶魔势力，从而减少对这里的人的影响？还是这不会有任何区别？

我昨天看了《武器》电影，里面展示了恶魔血祭仪式。邪恶的东西。

卡柏：The cabal would probably crumble without them.

It seems counterintuitive but remember GF can shut it all down whenever they want. The dark forces are actually helping speed up our path to ascension without intending to because it allows humans to face more extreme challenges.

如果没有他们，阴谋集团可能会崩溃。

这看起来似乎违反直觉，但要记住，银河联邦（GF）随时可以关闭这一切。黑暗势力实际上在无意中加速了我们的扬升之路，因为它们让人类面对更极端的挑战。

问：Ok thx, yes, understand it's all part of the intentional challenges it provides.

But if I get this correctly, 'technically' their influence actually only works within this planet's dimension?

If we'd put them on the moon their influence wouldn't work?

好的，谢谢，我明白这都是有意设置的挑战的一部分。

但如果我理解得没错，“技术上”他们的影响仅限于这个星球的维度？

如果我们把他们送到月球，他们的影响就不会起作用了？

卡柏： Their influence comes through in ritual communications with the elites. The satanic elites are following their directions. As long as there is communication there is influence.

他们的影响通过与精英阶层的仪式沟通体现出来。撒旦精英们遵循他们的指示。只要有沟通存在，就有影响。

}}}

问：The problem in this world is that even though we are preaching ONENESS, we are still separating ppl by labels. White, dark, from this star or that star, liberals, conservatives, gay or straight. Why can't it just be humans 1 with the creator and creation? Love, peace, ONENESS 💕

这个世界的问题在于，尽管我们宣扬“一体性”，我们仍在用标签将人分开。白人、黑人、来自这个星球或那个星球、自由派、保守派、同性恋或异性恋。为什么不能只是人类与造物主和创造合为一体？爱、和平、一体性 💕

卡柏：Yes, it's more of an ideal to strive for while we're still in duality. But it's always in the right direction.

是的，这更像是一个我们在二元性中追求的

理想。但这始终是正确的方向。

关于梅拉尼娅的飞碟形帽子

问：I wonder if these sorts of things are comms with a specific intention or just randomly she felt like paying tribute to GF.

我想知道这种东西是有特定意图的沟通，还是她只是随心所欲地向银河联邦（GF）致敬。

卡柏：I think it's her way of expressing 'GF' without words, like when she chose 5th Dimension's "Age of Aquarius".

我认为这是她不用言语表达“银河联邦（GF）”的方式，就像她选择了第五维度的《水瓶座时代》一样。

问：This might help. I know Kab isn't into RV or N/G but we don't know when the shift

will happen. Helping people with Sovereignty or a revaluation could ease the burden. Anyway this is what Trumps ties mean

这可能有帮助。我知道卡柏不相信遥视(RV)或 NESARA/GESARA，但我们不知道转变何时会发生。帮助人们实现主权或货币重估可能会减轻负担。总之，这就是特朗普领带的含义。

卡柏：Yes, Nesara/Gesara is fiction.

There are no white hats preparing a financial reset. It will get darker before the Shift.

是的，NESARA/GESARA 是虚构的。

没有白帽子在准备金融重置。在转变发生之前，情况会变得更黑暗。

问：why?

为什么？

卡柏：The Shift is graduation for humans and evil will be left behind. We are being morally tested. We don't need to be 'saved' before then.

转变是人类的毕业，邪恶将被抛在后面。我们正在接受道德考验。在那之前，我们不需要被“拯救”。
