当 UFO 目击事件和披露相关人物开始推动关于 UFO 的基于恐惧的叙事时，他们只是暴露了自己并不理解正在发生什么。

没有 UFO 威胁。不会有任何 UFO 假旗行动，因为它们不会被允许。唯一的心理战是社交媒体上传播的虚假谣言。

我们目前看到的唯一外星飞船属于银河联邦，如果你害怕它们，你就站错边了。

When UFO accounts and disclosure personalities start pushing fear-based narratives about UFOs they're only revealing that they don't understand what's happening.

There is no UFO threat. There won't be any UFO false flags because they won't be allowed. The only psyops are false rumors spread on social media.

The only extraterrestrial crafts we currently see belong to Galactic Federation, and if you're afraid of them, you're on the wrong side.

Danish airports have been closed for 3 nights in a row due to the "mystery drones".

It's not a foreign threat and there is no danger.

It's happening just like it did in New Jersey.

The airspace over Aalborg Airport was closed again late Thursday evening.

This is confirmed by the head of the North Jutland Police, Christian Tilsted, to Ekstra Bladet.

- It was closed here at 11:40 p.m., and it is suspected that people may have seen a drone, the duty officer tells Ekstra Bladet.

搜索 Q 的帖子中的“Comey”，你会看到这一切多年前就被预言了。

有充分证据证明 Q 的内部知识。

叛国的撒旦主义者已经被抓获，他们使用克隆技术来隐藏逮捕。

这场无声的战争终于浮出水面。

The misconception about Tribunals is that they'd be announced publicly. Tribunals have been underway. MSM won't report it. White Hats CAN'T. Chaos would ensue. Civil War. Cloning really complicates everything. A new narrative is needed to get us closer to it, like Comey's arrest.

Search the Q drops for "Comey" and you'll see all of this was foretold years ago.

There's ample evidence of Q's insider knowledge.

Treasonous satanists were already caught, and used cloning to hide their arrests.

The silent war is finally coming to the surface.
