现在，神秘无人机在丹麦的军事设施上空被发现。

许多人指责俄罗斯，但银河联邦多年来一直在美国和其他国家这样做。

为什么没有人击落它们？因为它们无法被击落。

这是一个警醒的信号。

Now the mystery drones are being seen over military facilities in Denmark.

Many are blaming Russia, but Galactic Federation has been doing this for many years, in the US and other countries.

Why doesn't anyone shoot them down? They can't be shot down.

This is a wakeup call.

残酷的真相

没有人准备为我们提供金融重置、医疗床、免费能源、反重力 UFO 技术，或公开揭露对撒旦阴谋集团的大规模逮捕。白帽子不会为我们提供任何解脱。没有人会来救我们。

唯一即将来临的是转变。这个计划是确定的。

扬升不是救援；它是从二元学校中获得

的毕业。一切其他事物将在其发生后被接收和揭示。

好消息

当它发生时，我们将与黑暗力量分离，我们将拥有超能力，我们将遇见我们的灵魂家族，并成为一个强大的银河文明
它会在一瞬间发生。它会在这一生中发生。

The Hard Truth

No one is preparing to give us a financial reset, medbeds, free energy, anti-gravity UFO tech, or reveal mass public arrests of the satanic cabal.

White hats won't offer us any relief. No one is coming to save us.

Only the Shift is coming. This plan is

guaranteed.

Ascension is not a rescue; it's earned graduation from the school of duality. Everything else will be received and revealed after it happens.

The Good News

When it happens, we'll be separated from the dark forces, we'll have superpowers, we'll meet our soul families and become a powerful galactic civilization.

It happens in an instant. It happens in this lifetime.
