

卡柏新帖 2025 年 9 月 29 日 H 译：

Humans once documented interactions with Pleiadians and Galactic Federation and called them angels.

人类曾记载了与昴宿星人及银河联邦的互动，并称他们为天使。

They lacked the ability to understand their experiences and their rigid interpretations became doctrine.

他们缺乏理解他们经历的能力，而他们的死板解释变成了教条。

The biblical angels are the "people from space" and they're with us now.

圣经天使是“来自太空的人”，而且他们现在与我们同在。

The soul is always safe.

灵魂始终安全

Iryna left this world, and in an instant, SHAYAH ULADAUSH woke up in her light chamber on Merope, aware of everything. We'll see her at the celebration

in Sheen.

依琳娜离开了这个世界，而在一瞬间，
莎雅·乌拉达乌什 (SHAYAH
ULADAUSH) 在她梅洛普的光室中醒来
知道一切。我们将会希恩的庆典中见
到她。

An excerpt from the soul origin of Iryna
Zarutska by Judith Lynn:

源自朱迪斯关于依琳娜·匝露思卡
(Iryna Zarutska) 的灵魂起源的一段节
选：

"You are a beautiful Goddess of Light!
You have Served others with deep Love
and Compassion on Merope. You travel
to stars of duality with Speaking
Engagements and your Wisdom changes
many.

“你是一位美丽的光之女神！你在梅洛
普上用深沉的爱与慈悲服务他人。你旅
行至二元星球进行演讲，你的智慧改变

了许多人。

Your incarnations were chosen to make a difference in Humanity. Your last visit changed the Hearts and Minds of so many.

你的转世是选择去为人类带来改变。你最后地访问改变了如此之多的人的心灵与思想。

The fear you Experienced in the moments of your attacker was quickly changed to Peace and Bliss as you rose above the scene and observed as your Powerful Soul. You will be greatly Honored in Sheen for all that you have done in Service to the Light!"

面对你的攻击者在那一刻你所经历的恐惧，在你升起到场面之上，以你强大的灵魂观察时，迅速地变成了平和与至福。在希恩你将被高度尊敬，为你服务于光而做的所有这一切！”
